treatment of and reference to the song of songs by a variety of authors including spenser and milton

this concise introduction to the literature of an exciting and influential period opens with an overview of the historical and cultural context in which english renaissance literature was produced and a discussion of its contemporary and subsequent critical reception the following chapters survey the major renaissance genres of drama poetry and prose each chapter provides illustrative case studies of canonical and non canonical key texts by authors such as william shakespeare christopher marlowe ben jonson edmund spenser john milton sir philip sidney john donne aemilia lanyer sir francis bacon thomas nashe and lady mary wroth a guide to further reading accompanies each chapter complemented by a section of student resources at the end of the book the final chapter summarises significant developments in english renaissance literary culture and discusses the future direction of renaissance literary scholarship

natural law whether grounded in human reason or divine edict encourages humankind to follow virtue and shun vice the concept dominated renaissance thought where its literary equivalent poetic justice underpinned much of the period's creative writing robert white examines a wide

range of renaissance texts to show how writers as radically different as milton and hobbes formulated versions of natural law that served to maintain socially established hierarchies this is the first book to apply a vast area of intellectual history to imaginative literature across a variety of genres during the renaissance period

the renaissance and the postmodern reconsiders postmodern readings of renaissance texts by engaging in a dialectics the authors call comparative critical values rather than concede the contemporary hierarchy of theory over literature the book takes the novel approach of consulting major renaissance writers about the values at work in postmodern representations of early modern culture as criticism seeks new directions and takes new forms insufficient attention has been paid to the literary and philosophical values won and lost in the exchanges one result is that the way we understand the logical connections the literary textures and the philosophical impulses that make up the literature of writers like spenser shakespeare and milton has fundamentally changed examining theoretical debates now in light of polemical controversies then the book goes beyond earlier studies in that it systematically examines the effects of these newer critical approaches across their materialist historicist deconstructive and psychoanalytic manifestations bringing gravity and focus to this question of critical continuities and discontinuities each chapter counterposes one major renaissance voice with a postmodern one to probe these issues and with them the value of the cultural past as voices on both sides of the historical divide illuminate key differences between the renaissance and the postmodern a critical model emerges from the book to re engage this period s humane literature in a contemporary context with intellectual rigor and a renewed sense of cultural enrichment
