in 1922 just four years after the war to end all wars an unknown austrian then living in bavaria planned a pamphlet to be called settling accounts in it he intended to attack the ineffectiveness of the dominant political parties in germany which were opposed to the new national socialists nazis in november 1923 adolf hitler was jailed for the abortive munich beer hall putsch along with men willing and able to assist him with his writing with the help of these collaborators chief among them rudolf hess the pamphlet became a book when mein kampf was published in 1925 it was a failure in 1926 a second volume appeared it was no more successful than the first as hitler s power increased pressure was put on all party members to buy the book gradually this pressure was extended to all elements of the german population soon mein kampf was even being passed out to newlywed couples as a gift ironically and frighteningly by the time hitler came to power on january 30 1933 what has been considered by many to be the most satanic book ever written was running neck and neck with the bible at the top of the german bestseller lists in his excellent introduction to this definitive american translation of mein kampf mein kampf is a blueprint for the age of chaos it transcends in historical importance any other book of the present generation in his translation ralph manheim has taken particular care to give an exact english equivalent of hitler s highly individual and often awkward style we believe this book should stand as the complete final and definitive english version of hitler s own story of his life his political philosophy and his thwarted plans for world domination translated by ralph manheim a compilation of hitler s most famous prison writings of 1923 the bible of national socialism and the blueprint for the third reich
