--- Understanding the Background of Enrique's Journey Who is Enrique? Enrique is a young Honduran boy whose story gained international recognition through the book "Enrique's Journey" by author Sonia Nazario. His story begins with the painful separation from his mother, Lourdes, who emigrates to the United States in search of a better life, leaving Enrique behind in Honduras. Years later, driven by love and hope, Enrique embarks on a treacherous journey to reunite with her, risking everything to cross the perilous Mexico-U.S. border.

The Context of Honduran Migration Honduras faces significant challenges such as:

- Poverty: A large percentage of the population lives below the poverty line.
