this book attempts to grasp the recent paradigm shift in american politics through the lens of satire it connects changes in the political and cultural landscape to corresponding shifts in the structure and organization of the media in order to shed light on the evolution of political satire on late night television satire is situated in its historical background to comprehend its movement away from the fringes of discourse to the very center of politics and the media beginning in the 1990s certain trends such as technological advances media consolidation and the globalization of communications reinforced each other paving the way for satire to claim a prized spot in the visual media a tendency that only gained strength after september 11 while the bush presidency presented itself as an apposite target for satirists their stronghold on american television was made possible by a number of transitions in broader culture which are encapsulated in the shrinking space available for political engagement under neoliberalism this largely underestimated development can be understood through the framework of postmodernism which focuses on the relationship between language power and the presentation of reality these trends and transitions reached a climax in the 2016 election where president trump was elected embodying what can only be considered a significant turning point in american politics the bigger narrative contains various subplots represented in the rise of the neoliberal economy the acceptance of postmodernism as the dominant cultural code and the

role of the voyeur superseding that of the engaged citizen it is only through understanding each of these pieces and connecting them that we can comprehend the current political transformation the present moment may feel like a golden age of satire and it may well be but this book addresses the hardest questions about the realities behind such a claim what can we conclude about when and how satire is effective judging by the history of this genre in its various incarnations and how can the apolitical postmodern media landscape be reconciled with what the best of this genre has had to offer during times of political duress

a fascinating look into what happens when comedy becomes political and politics becomes comedy satirical tv has become mandatory viewing for citizens wishing to make sense of the bizarre contemporary state of political life shifts in industry economics and audience tastes have re made television comedy once considered a wasteland of escapist humor into what is arguably the most popular source of political critique from fake news and pundit shows to animated sitcoms and mash up videos satire has become an important avenue for processing politics in informative and entertaining ways and satire tv is now its own thriving viable television genre satire tv examines what happens when comedy becomes political and politics become funny a series of original essays focus on a range of programs from the daily show to south park da ali g show to the colbert report the boondocks to saturday night live lil bush to chappelle s show along with internet d i y satire and essays on british and canadian satire they all offer insights into what today s class of satire tells us about the current state of politics of television of citizenship all the while suggesting what satire adds to the political realm that news and documentaries cannot

satiric tv in the americas is the first book to focus on latin american tv satire in order to understand their critical role in challenging the status quo traditional journalism and the prevalent local media culture it introduces the notion of critical metatainment as negotiated dissent a key concept for the study of postmodern satire
