a compilation of smith s history u of british columbia essays on the influence of american society on canadian identity based on the notion that canada can best be understood if viewed in relation to the us smith explores the ways in which american influences have challenged canada s cultural

derived from the renowned multi volume international encyclopaedia of laws this book provides ready access to legislation and practice concerning the environment in canada a general introduction covers geographic considerations political social and cultural aspects of environmental study the sources and principles of environmental law environmental legislation and the role of public authorities the main body of the book deals first with laws aimed directly at protecting the environment from pollution

in specific areas such as air water waste soil noise and radiation then a section on nature and conservation management covers protection of natural and cultural resources such as monuments landscapes parks and reserves wildlife agriculture forests fish subsoil and minerals further treatment includes the application of zoning and land use planning rules on liability and administrative and judicial remedies to environmental issues there is also an analysis of the impact of international and regional legislation and treaties on environmental regulation its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable resource for environmental lawyers handling cases affecting canada academics and researchers as well as business investors and the various international organizations in the field will welcome this very useful guide and will appreciate its value in the study of comparative environmental law and policy

this book corrects an imbalance in canadian political literature through offering a conservative account of canadian political thought across 15 chronologically organized chapters and with a mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of canadian conservative political thought asking what have canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today rather than its culmination canadian conservative political thought will be the beginning of conservative political thought s recovery and will spark debates and future research the book will be a great resource for courses on canadian politics history political philosophy and conservatism canadian studies and political theory

appendices to the various volumes bound separately

this discussion paper on the demographic review looks at the following points the significance of fertility for canada s social and economic future fertility and the labour force fertility and female labour force participation canada s fertility outlook and policy implications of future fertility in canada
