a brief account of the science of mind by the man who formulated it ernest holmes has condensed the wisdom of his classic science of mind into this warm yet penetrating statement the science of mind is the study of life and the nature of the laws of thought in a spiritual universe this philosophy believes there is one infinite mind that includes all there is whether it be human intelligence or the invisible presence of god and is built upon the premise that we are living in a spiritual universe whose sole government is one of harmony where the use of right ideas is the enforcement of its law in 1927 a teacher writer and lecturer by the name of ernest holmes defined and established the science of mind philosophy by uncovering a clear and simple method he discovered while researching the wisdom of the

ages from many disciplines this newfound practical and spiritual approach to living an abundant life evolved into what is now the science of mind textbook which has been the cornerstone to religious science churches and centers for spiritual living around the world over the course of his life the textbook became a beacon of light to millions of readers and followers but to others the 600 page tom presented itself as an obstacle to beginners simply because of its intimidating size in what turned out to be one of his last books before his death in 1960 holmes published this introduction after its initial release as an article in the science of mind magazine to help individuals easily understand the concepts before taking the first steps of their new spiritual journey

ernest shurtleff holmes january 21 1887 april 7 1960 was an american new thought writer teacher and leader he was the founder of a spiritual movement known as religious science part of the greater new thought movement whose spiritual philosophy is known as the science of mind he was the author of the science of mind and numerous other metaphysical books and the founder of science of mind magazine in continuous publication since 1927 his books remain in print and the principles he taught as science of mind have inspired and influenced many generations of metaphysical students and teachers holmes had previously studied another new thought teaching divine science and was an ordained divine science minister his influence beyond new thought can be seen in the self help movement contents 1 creative mind 1922 2 the science of mind 1926

this newly repackaged edition of one of tarcher s bestselling holmes backlist titles contains wisdom designed to help each reader experience the science of mind philosophy day by day

what you will discover in 32 easy lessons how really simple everything is we are all one within a universal field of energy intention the power behind affirmative prayer how our thoughts and beliefs attract like energy and experiences the healing power of scientific prayer the power of being an observer without expectations the deep mystical love underlying all aspects of the universe scientific discoveries rich in spiritual awakening 32 easy lessons reveals the essence of who we are at our most powerful level when we understand how our mind affects the metaphysical beyond the physical it all begins to make sense there are gold nuggets in this treasure trove to enrich your life s adventure mary mitchell has been an avid student of the science of our mind and metaphysics for over twenty years her deep study has resulted in popular classes and lessons that explore the hidden power of what lies beyond the physical and forces of energy that we can control through the power of our mind it s true there is a power for good in the universe and you can use it

here in one volume is a selection of the core and essential writings by internationally renowned scholar mystic and author Ernest Holmes providing readers with a library of the most important ideas in the religious psychology that Holmes defined. The Essential Ernest Holmes comprises selections from classic works such as *This Thing Called You*, *The Science of Mind* textbook and *Creative Mind and Success*, but also included are brilliant passages from some of Holmes's lesser known works such as *The Voice Celestial* as well as a generous sampling from articles and lectures. The book features remembrances of the beloved sage and teacher from the works of his contemporaries, a chronology of Holmes's life and work, and an accessible introduction by editor Jesse Jennings that frames Holmes's body of ideas for all readers.

The inspiration of Ernest Holmes has reached hundreds of thousands of readers through his classic works, many of which are just now becoming available in paperback. Originally published in the first half of the twentieth century, these meditative, concise volumes have never previously appeared in paperback. Whether a newcomer to the philosophy Holmes founded or a veteran reader, you will find great power and practicality in the words that render Holmes one of the most celebrated and beloved mystical teachers of the past hundred years.

Building on the history documented in *Chronicles of Religious Science Volume I*, this second volume opens with the transition of Ernest Holmes in 1960. Each chapter highlights the growth and decisions of the Church of Religious Science and Religious Science International as the organizations grew and eventually merged back into one whole. In 2012, based on interviews, quotes, meeting minutes, and commentary, these two volumes capture the essence of Religious Science and preserve its history for future generations. *Chronicles of Religious Science Volume II* is truly a work of heart by Dr. Marilyn Leo, living treasure and former neighbor to Ernest and Hazel Holmes. Dr. Leo delves deep into the oracles and wisdom of the Science of Mind Archives to share key events in the evolution of Science of Mind. In this book, we honor the transition of our founder, Dr. Ernest Holmes, in 1960, and we celebrate the healing and uniting of our movement in 2011-12. This is a valuable resource and an essential read for anyone who has been touched by this profound teaching. Rev. Kathy Mastroianni, Executive Director, Science of Mind Archives and Library Foundation, says this latest volume of *Chronicles of Religious Science* embodies the spirit of our founder, Dr. Ernest Holmes, statement that Religious Science should always remain open at the top. It opens the reader to the unfolding story of this amazing movement. In so doing, it is a valuable resource to every practitioner of the Science of Mind. Dr. Marilyn Leo has a way of answering the questions of the curious. In this, her latest contribution to Religious Science, enjoy your journey through the annals of one of the major contributors to the Science of Mind. Rev. Stephen Rambo, Spiritual Leader, CSL Simi Valley, Ernest Holmes writes, "When through intuition faith finds its

proper place under divine law there are no limitations and what are called miraculous results follow the chronicles of religious science ii is one of those miraculous efforts i offer deep gratitude to marilyn leo for capturing the essence and details of so many aspects of the life of holmes and the religious science movement and honor the keen minds and huge hearts who worked tirelessly to bring it to you holmes also writes a thought of love is always healing may this work be a loving support to you on your spiritual path the journey continues rev david goldberg ph d past publisher and editor science of mind magazine science of mind publishing

a one of a kind collection of rare writings from one of the world s foremost spiritual leaders and thinkers for the first time the three hard to get volumes known as the ernest holmes papers will be published in one volume transcripts of talks that ernest holmes gave over his career the ernest holmes papers contains holmes s wisdom on prayer life prosperity and god used by thousands of spiritual students around the world in previous editions this first ever omnibus edition will contain a new introduction from dr kenn gordon spiritual leader of the centers for spiritual living the three volumes that are being included in this one volume are the philosophy of ernest holmes anatomy of healing prayer and ideas of power

everything you need to know about how to use one of today s most powerful philosophies we go in search of that which we already possess but are not using so says ernest holmes author of the science of mind and founder of the philosophy of religious science god is not far away but is within ourselves other people and everywhere present why then do we fall prey to unwanted conditions illness financial lack relationship difficulties loneliness and problems of every kind written as a manual for the practical applications of the principles set forth in the science of mind this book takes the original philosophy of change your thinking change your life and explains a clear and definite scientific method of prayer that can help you overcome life s obstacles

this is holmes own commentary on his masterpiece the science of mind as such it may be his most important book besides the textbook these short pieces abound in counsel and guidance in metaphysics spirituality and healing here too is the history of new thought and religious science insights into the mystics pointers on treatment and analysis of our fears and insecurities founder of the worldwide religious science movement formulator of the science of mind philosophy and author of metaphysical bestsellers dr holmes continually sought to simplify his teaching and get people to use it in these pages he speaks directly to you in a one on one tutorial

millions of people believe in the higher power of the mind but few know the potential risks of involvement in the mind sciences unity religious science new thought

christian science est silva mind control to name a few these questions are skillfully answered does the mind really have power in itself how influential are the mind sciences who is promoting the mind sciences are the mind sciences compatible with christianity this book offers practical discussion of this influential movement

in 2016 we asked readers of guide for spiritual living science of mind magazine to imagine what a conversation with ernest holmes might be like for yourself someone you know or someone you admire our hope was to encourage our readers to take a deeper dive into the work of dr holmes dr holmes was a visionary in the new thought movement founder of religious science and author of the science of mind text he also started science of mind magazine which has been in continuous publication since 1927 after we asked dozens of our readers answered and the result is the book you are holding we are grateful for the authenticity and openness of our contributors in sharing stories whether based in fiction or reality readers may learn a tremendous amount about dr holmes and so many other sages and wisdom keepers both familiar and as yet unknown rev dr david s goldberg guide for spiritual living science of mind magazine editor and publisher imagines a conversation with ernest that gives additional context to this work view the video at scienceofmind.com/conversations-with-ernest to learn more about the magazine or the teachings of dr holmes visit scienceofmind.com

early lectures and private lessons from celebrated spiritual teacher ernest holmes illustrating the key concepts behind his influential ideas ernest holmes was a beloved teacher and philosopher with a disarmingly simple message change your thinking and you will change your life there is a creative law in the universe holmes reasoned and it is available to each of us right now through our thought patterns we can quite literally think our way to happiness and contentment love and law is a collection of carefully selected lectures and private lessons that have never before been in print it is a splendid testament to the living philosophy of this remarkable guide and thinker

the term science of mind applies to the teachings while the term religious science applies to the organizations however adherents often use the terms interchangeably content creative mind each soul must discover for himself that he stands in the midst of an eternal creative power which presses itself around his own thought and casts back to him glorified all that he thinks creative mind and success is a spirited guide to mental wellness and business success the book provides answers for better comprehending the mind s creative power and explains how positive thinking can improve your life and help achieve prosperity and financial success the science of mind proposes a science with a new relationship between humans and god holmes writing details how people can actively engage their mind in creating change throughout their lives explanations of how to pray and meditate heal oneself spiritually find self confidence and express love led

holmes to believe religious science is a philosophy a faith and a way of life
