gain a comprehensive understanding of criminal law through key concepts cases and controversies this book is designed for students and professionals seeking to deepen their knowledge of criminal justice and legal principles

this book looks at the relevance of conspiracy in international criminal law it establishes that conspiracy was introduced into international criminal law for purposes of prevention and to combat the collective nature of participation in commission of international crimes its use as a tool of accountability has however been affected by conflicting conceptual perceptions of conspiracy from common law and civil law countries this conflict is displayed in the decisions on conspiracy by the international criminal tribunals and finally culminates into the exclusion of punishment of conspiracy in the rome statute it is questionable whether this latest development on the law of conspiracy was a prudent decision while the

function of conspiracy as a mode of liability is satisfactorily covered by the modes of participation in the rome statute its function as a purely inchoate crime used to punish incomplete crimes is missing this book creates a case for inclusion in the rome statute punishment of conspiracies involving international crimes that do not extend beyond the conceptual stage to reinforce the statute s purpose of prevention the conspiracy concept proposed is one that reflects the characteristics acceptable under both common law and civil law systems

derived from the renowned multi volume international encyclopaedia of laws this book provides a practical analysis of criminal law in south africa an introduction presents the necessary background information about the framework and sources of the criminal justice system and then proceeds to a detailed examination of the grounds for criminal liability the justification of criminal offences the defences that diminish or excuse criminal liability the classification of criminal offences and the sanctions system coverage of criminal procedure focuses on the organization of investigations pre trial proceedings trial stage and legal remedies a final part describes the execution of sentences and orders the prison system and the extinction of custodial sanctions or sentences its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable resource for criminal lawyers prosecutors law enforcement officers and criminal court judges handling cases connected with south africa academics and researchers as well as the various international organizations in the field will welcome this very useful guide and will appreciate its value in the study of comparative criminal law

containing original articles on timely topics full reports of important cases and a digest of all recent criminal cases american and english
