alcestis medea the children of heracles hippolytus one of the best prose translations of euripides i have seen robert fagles this selection of plays shows euripides

transforming the titanic figures of greek myths into recognizable fallible human beings medea in which a spurned woman takes revenge upon her lover by killing her children is one of the most shocking of all the greek tragedies medea is a towering figure who demonstrates euripides unusual willingness to give voice to a woman s case alcestis is based on a magical myth in which death is overcome and the children of heracles examines conflict between might and right while hippolytus deals with self destructive integrity translated by john davie

one of the most powerful and enduring of greek tragedies masterfully portraying the fierce motives driving medea s pursuit of vengeance for her husband s insult and betrayal authoritative rex warner translation

presents retellings of both well known and forgotten greek myths along with information on how they have remained a vital influence in western culture from renaissance painters to modern day hollywood

this book offers a new accurate and actable translation of one of euripides most popular plays together with a commentary which provides insight into the challenges it sets for production and suggestions for how to solve them the introduction discusses the social and cultural context of the play and its likely impact on the original audience the way in which it was originally performed the challenges which the lead roles present today and medea s implications for the modern audience the text of the translation is followed by the theatrical commentary section on the issues involved in staging each scene and chorus today embodying insights gained from a professional production notes on the translation a glossary of names suggestions for further reading and a chronology of euripides life and times round out the volume the book is intended for use by theatre practitioners who wish to stage or workshop medea and by students both of drama theatre and performance and of classical studies

introducing the work of 20 of the ancient world s greatest authors this work presents brief readable essays fully illustrated with quotations from modern and some ancient translations the writers covered include homer sappho herodotus the greek tragedians the comic poets sexy and subtle love poets such as catullus and vicious but witty satirists like martial and juvenal

heracles iphigenia among the taurians helen ion cyclops of these plays only heracles truly belongs in the tragic sphere with its presentation of underserved suffering and

divine malignity the other plays flirt with comedy and comic themes their plots are ironic and complex with deception and elusion eventually leading to reconciliation between mother and son in ion brother and sister in iphigenia and husband and wife in helen the comic vein is even stronger in the satyric cyclops in which the giant s inebriation and subsequent violence are treated as humorous together these plays demonstrate euripides challenge to the generic boundaries of athenian drama

the play begins after medea a princess in her own land has sacrificed everything for jason she helped him in his quest for the golden fleece eloped with him to greece and borne him sons when jason breaks his oath to her and betrays her by marrying the king s daughter his ticket to the throne medea contemplates the ultimate retribution
