while the musical culture of the british isles in the long nineteenth century has been reclaimed from obscurity by musicologists in the last thirty years appraisal of operatic culture in the latter part of this period has remained largely elusive paul rodmell argues that there were far more opportunities for composers performers and audiences than one might expect an assertion demonstrated by the fact that over one hundred serious operas by british composers were premiered between 1875 and 1918 rodmell examines the nature of

operatic culture in the british isles during this period looking at the way in which opera was produced and consumed by companies and audiences the repertory performed social attitudes to opera the dominance of london s west end and the activities of touring companies in the provinces and the position of british composers within this realm of activity in doing so he uncovers the undoubted challenges faced by opera in britain in this period and delves further into why it was especially difficult to make a breakthrough in this particular genre when other fields of compositional endeavour were enjoying a period of sustained growth whilst contemporaneous composers and commentators and later advocates of british music may have felt that the country s operatic life did not measure up to their aspirations or ambitions there was still a great deal of activity and even if this was not necessarily that which was always desired it had a significant and lasting impact on musical culture in britain

around 2005 something surprising happened in young adult literature ya books became obsessed with presenting characters who wanted to have sex but couldn t at least not without losing something vital to their identity since the publication of twilight the ya market has been flooded with books that feature naive virgins finding true love while some ya novels do present nuanced depictions of sex and of healthy sexual relationships the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests in virginity in young adult literature after twilight christine seifert looks at an alarming trend in ya novels labeling this phenomenon abstinence porn seifert argues that these novels that fetishize virginity are harmful to readers like pornography such works reduce female characters to objects whose sexual acts are the sole expression of their identities chapters in this book examine paranormal dystopian and contemporary romance paying particular attention to recurring virginity themes or tropes the book also provides an antidote by showing how some sex positive teen novels provide more empowering messages to readers organized by genre the books were selected for this study based on their popularity with teens exploring how messages about virginity are sustained and repeated from text to text this book also calls out key reader reactions to demonstrate how they are responding to these messages featuring a list of discussion questions virginity in young adult literature after twilight will be a valuable resource for teachers librarians parents and mature young adult readers

the year s best and darkest tales of terror showcasing the most outstanding new short stories by both contemporary masters of the macabre and exciting newcomers as ever this acclaimed anthology also offers a comprehensive overview of the year in horror a necrology of recently deceased luminaries and a list of indispensable addresses horror fans and writers the mammoth book of best new horror remains the world s leading annual anthology dedicated solely to presenting the best in contemporary horror fiction
