religion and media more broadly

religion and science fiction an introduction guides students into deeper understanding of how religion and science fiction engage often overlapping questions this textbook introduces key ideas of religious studies through critical consideration of print and visual media that fall within the general category of science fiction the goal throughout is to help students move beyond simply identifying points of interrelation between religious studies and forms of what is often called more broadly speculative fiction to considering how the studied texts open new ways of thinking about human and nonhuman experience taken to be religious with discussion questions lists of key terms extensive additional resources and suggestions for projects and essay questions this book is a foundational text for students and instructors of religion and science fiction

over the last two decades the american academy has engaged in a wide ranging discourse on faith and learning religion and higher education and christianity and the academy eastern orthodox christians however have rarely participated in these conversations the contributors to this volume aim to reverse this trend by offering original insights from orthodox christian perspectives that contribute to the ongoing discussion about religion higher education and faith and learning in the united states the book is divided into two parts essays in the first part explore the historical experiences and theological traditions that inform and sometimes explain orthodox approaches to the topic of religion and higher education in ways that often set them apart from their protestant and roman catholic counterparts those in the second part problematize and reflect on orthodox thought and practice from diverse disciplinary contexts in contemporary higher education the contributors to this volume offer provocative insights into philosophical questions about the relevance and application of orthodox ideas in the religious and secular academy as well as cross disciplinary treatments of orthodoxy as an identity marker pedagogical framework and teaching and research subject

the palgrave handbook of african traditional religion interrogates and presents robust and comprehensive contributions from interdisciplinary experts and scholars offering a range of perspectives and opinions through the prism of understanding the past about african traditional religions and more importantly capturing their dynamics in the present and projecting their sustainability and relevance for the future this volume is an essential resource for knowledge and understanding of african traditional religions in the global space of religious traditions

this book provides an original concept of authenticity to illuminate the transformation of christian consciousness in the increasingly more secular and pluralistic culture of western societies the present work is unique in offering an in depth study of simmel s sociology and philosophy in dialogue with an ethnographic account of contemporary christians it develops original concepts drawing on simmel s writings on individuality and religion and connecting them with classical and contemporary scholarship in sociology and philosophy the theoretical framework is illustrated through an analysis of the narratives and practices of christians in an evangelical church in the uk and several new monastic communities in the uk us and canada the book proposes an understanding of belief as relational and experiential and a concept of authenticity as self transcendence articulated in dialogue with religious tradition and the other religious tradition is developed through an on going process of interpretation and sacralization of what is considered within and without the tradition s boundaries the book also proposes an innovative approach to the study of morality by distinguishing between a people centered ethic ethic of compassion and a norm centered ethic ethic of purity to

account for the the different ways in which christians engage with the other this allows an exploration of the relationship between ethics and the making and breaking of boundaries in a given community the case studies in this book show that committed christians attempt to reconcile commitment to their tradition with the value of inclusiveness and to affirm their moral and religious identity as a distinctive moral lifestyle not superior but of equal worth to those of non christians

the overwhelming majority of people in the world 85 are religious and more religions are now practiced in the united states than in any other country religion plays a critical role in international politics in the global economy and in a wide variety of social and cultural interactionson the domestic front even though religion is such an integral part of today s world many americans have difficulty discussing it publicly they are often unfamiliar with any religion but their own finding other religions mysterious or even threatening offering a brief and accessible point of entry into the subject rethinking religion a concise introduction begins by highlighting the significance of religion in modern society and providing a simple definition that goes beyond vague notions of faith or belief in god drawing materialfrom a diverse range of religions including hinduism buddhism judaism christianity islam and primal religions author will deming walks readers through thirty examples of how religions work exploring the significance of religious events and pronouncements he also considers several topicsthat continue to fascinate and challenge westerners the ethics of studying someone else s religion the truth of religion the possibilities for preferring one religion over another religious pluralism and the contentious dialogue between science and religion enhanced by an innovative glossary of religious terms and numerous pictures and analyses of everyday religious activities rethinking religion a concise introduction is ideal for introducing students to the concept of religion and for courses in comparative and world religions it is alsocaptivating reading for theologians scholars and anyone interested in the topic
