the Indian adaptation of the 9th edition of this book on social psychology provides broad insights into the culture traditions and contexts of Indian society while explaining the various concepts of social behavior. The strength of this adapted edition is to actively engage the students by including real life examples in Indian context along with the empirical Indian researches which are comparable with the vast in depth scientific study of the various social psychological concepts. Features 1. The book includes Indian case studies, data and researches so as to bring clarity about the causes, consequences and control of different social problems in the Indian scenario. 2. To facilitate better learning and understanding, the book contains review questions, try it exercises and knowledge testing through multiple choice questions. 3. These are retained in the adaptation with a few modifications in the Indian context. Last but not the least, this adaptation book is a dynamic introduction to the science relevance and applications of social psychology in the Indian

context 4

a comprehensive and engaging introduction to psychology this is a textbook like no other always fresh always introducing new tools for teaching and learning and always attuned to how the field is shaped by new research the ninth edition is now more concise with 1200 new citations enhanced pedagogy and a revised chapter on consciousness
