pia mellody creates a framework for identifying codependent thinking emotions and behaviour and provides an effective approach to recovery mellody sets forth five primary adult symptoms of this crippling condition then traces their origin to emotional spiritual intellectual physical and sexual abuses that occur in childhood central to mellody s approach is the concept that the codependent adult s injured inner child needs healing recovery from codependence therefore involves clearing up the toxic emotions left over from these painful childhood experiences

in her pioneering facing codependence pia mellody traced the origins of codependence back to childhood and a wide range of emotional spiritual intellectual physical and sexual abuses now in this innovative new workbook she presents a step by step journal keeping method for moving toward recovery from codependence based on such concepts as the precious child and the five core symptoms of codependence along with the twelve step process of recovery used by codependents anonymous breaking free provides strategies and insights for attacking the

fundamental problem in codependence the lack of dependence on self in a three part approach to recovery mellody first shows recovering codependents how to move beyond denial of their childhood history of abuse she then offers techniques to identify concrete ways in which the symptoms of codependence operate in their lives finally mellody guides users through the process of identifying and recording specific instances of improvement in their lives as an aid to greater self awareness and further recovery

a brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction in this fresh new look at codependence pia mellody traces the origins of this illness back to childhood describing a whole range of emotional spiritual intellectual physical and sexual abuses because of these earlier experiences codependent adults often lack the skills necessary to lead mature lives and have satisfying relationships recovery from codependence comes from clearing up the toxic feelings left over from childhood and learning to reparent oneself by intervening on the adult symptoms of codependence central to mellody s concept is the idea of the precious child that needs healing within each adult she creates a framework for identifying codependent behavior and describes an effective approach to recovery that includes both therapy and self help processes designed to be used with her new workbook for codependents breaking free this is a powerful tool for understanding the nature of codependence

discusses the symptoms of codependence explains how child abuse and dysfunctional family life can cause the condition and suggests a path toward recovery

please note this is a companion version not the original book sample book insights 1 those who are codependent are often in an emotional state marked by anxiety and feelings of being irrational dysfunctional and or crazy they often find themselves overreacting to everyday happenings experiencing feelings far more excessive than appropriate for a given situation 2 the emotional factor of codependence can also be triggered by the disappointment of interviewing for a job and not being hired the sadness of a good friend moving to another town or the anger of a neighbor s dog messing up the flower bed 3 the families of alcoholics and other chemically dependent people often noticed that their emotions were intensified in their relationships with the alcoholic or addict but they were unable to express them in a healthy way because of a compulsion to please and care for the addicted person 4 the disease of codependence is difficult to see from the outside as its sufferers wear a mask of adequacy and success designed to win the all important approval of others but these slaves of powerful seemingly groundless compulsive feelings are doomed to be on an endless treadmill of personal failure and intensified experiences of shame pain fear and repressed anger

after enduring more than her share of codependent relationships author jacqueline williams knew she needed to change her behavior patterns through a great deal of soul searching therapy and prayer williams came to understand her codependency and how to eradicate it from her relationships written especially for women confessions of a codependent how to identify and eliminate unhealthy relationships defines codependent relationships explains why they are so self destructive and explores why these relationships can at times lead to physical violence confessions of a codependent shares other women s stories of codependent abusive and or dysfunctional relationships as well as the ways these women were able to leave them and move on to healthier partnerships confessions of a codependent also includes practical advice on how to recognize signs that your relationship may be heading toward emotional and or physical abuse

how to move away from self defeating and self destructive behaviors and resources that you can use to escape a codependent relationship if you're struggling in your current relationship and feel trapped by codependency break the cycle with confessions of a codependent

facing codependence by pia mellody offers a clear and compassionate roadmap for understanding and overcoming codependent patterns in relationships and personal behavior drawing on decades of experience in addiction recovery and therapy mellody decodes the thinking emotions and actions that perpetuate codependence helping readers recognize when their behaviors are self sabotaging or tied to toxic relationships the book identifies five primary symptoms of codependence in adults behaviors and emotional patterns that often originate in early experiences of emotional physical intellectual spiritual or sexual abuse mellody emphasizes that healing requires addressing the wounded inner child whose unmet needs and unresolved trauma can shape adult relationships and choices by understanding the roots of these patterns readers are equipped to break cycles of dysfunction whether that involves love addiction enabling substance abuse or falling into unhealthy relational dynamics mellody also provides practical guidance for transforming attachment styles moving from anxious or avoidant tendencies toward healthier stable and secure connections through a combination of self reflection insight and actionable steps readers can rebuild their sense of self worth reclaim independence and rediscover purpose the process encourages both emotional and behavioral growth helping individuals to navigate relationships more authentically and assertively beyond individual recovery the book explores how codependence perpetuates cycles of dysfunction across families and relationships demonstrating that change in one person can ripple outward mellody provides strategies for breaking these cycles and ending patterns of abuse fostering healthier environments for oneself and others ultimately facing codependence is both a diagnostic tool and a recovery guide it empowers readers to understand the complexity of their behavior confront the lingering effects of childhood trauma and take practical steps toward building a more fulfilling autonomous and emotionally balanced life it is a foundational text for anyone seeking to overcome codependence and cultivate authentic healthy relationships

liisa halme read countless self help books attended dozens of seminars and did all the right things but still found herself struggling with painful emotions and difficult relationships through decades of work she discovered the path that lead to the end of emotional suffering internal chaos and unfulfilling relationships and she shares the exact steps in this crash course to emotional freedom she answers questions such as how can you get to fully know yourself and why is it essential how can you recognize process and express emotions in a healthy way how can you stop dysfunctional relationship patterns and create more love and intimacy liisa covers everything you need to know in order to take life's challenges in your stride and use them as opportunities for healing and transformation each juicy topic is packed into a short easy to read but slow to digest chapter drawing on humor and personal examples she encourages you to discard beliefs that no longer serve you and embrace a new reality of freedom and choice change how you relate to yourself your emotions and others and fast track your way to thriving with the practical lessons in this guide

do you worry that you drink too much or perhaps you fear that your dependence on drugs food sex or some other vice is spiralling out of control and taking your quality of life with it in who

says i m an addict david smallwood looks at the issue of addiction with compassion clarity and wisdom that comes not only from his own difficult journey with addiction but from his considerable experience overseeing treatment programmes in rehabilitation clinics david looks in detail at all areas of addiction from denial hitting rock bottom and dealing with shame and guilt to how our family of origin and the traumas we go through in childhood influence us in later life he then explores the road to long term recovery guiding the reader on how to do the emotional work necessary to ensure that they avoid relapse and can finally lay their demons to rest and get on with re building their life

a team of psychologists psychiatrists therapists and behavioral specialists provides insights on how seek the support and understanding needed to overcome repetitive negative behaviors

in the mother and the manager elizabeth ralston courageously explores how our traditional gender roles create codependent behaviors in men and women and offers positive workable solutions toward dealing with this problem the mother and the manager takes an in depth look at how our society has evolved and impacted gender roles into the twenty first century as 12 step recovery groups have flourished in recent years women have been educated about why they have issues such as low self esteem perfectionism rigidity relationship failures inability to get their needs met and fear of conflict elizabeth has bravely shared about how patriarchy has impacted her life and how recovery has helped her to empower and heal herself she will help many who are searching for answers to their questions and will help them on the road to recovery i salute her ability to face her fears about rocking the boat in writing this book and taking the risk to speak her truth and stay on her god inspired path ginger s edwards licensed professional counselor licensed addictions specialist specializing in codependency and trauma

among the 600 000 annual divorces that transpire within the united states almost all of them begin with a marriage crisis whether your partner told you they want to leave the marriage or you are wondering how to break the news that you want out this breaking point can be filled with overwhelming emotions worry about children becoming collateral damage and ill advised counseling that make navigating this process more frightening and confusing than it has to be these heartbreak times can propel couples into a state of fear panic and uncertainty about what steps they should take sometimes leading them to divorce when reconciliation might have been possible known as the marriage crisis manager marriage and family therapist becky whetstone fills in these gaps by speaking to both partners on how to manage themselves and their relationship in the healthiest of ways regardless of the eventual outcome

following the phenomenal of codependent no more here is a brilliant new guide to understanding the origins of codependence and the path to recovery by a nationally recognized authority on dependency and addiction

a self help manual for partners affected by sex addiction those who act out sexually whether through pornography cybersex prostitutes voyeurism and or multiple affairs leave their partners reeling in rage incredible shame and isolation in this taboo shattering and practical guidebook partners affected by sex addiction can learn to develop healthy boundaries and make positive changes in their lives the skills building exercises presented are designed to help partners better understand the disease of addiction and how it is affecting their relationship intimate treason

provides a path to healing that gives voice to partners truths as they travel on their own journey of recovery

table of contents 1 hope 2 symptoms 3 causes 4 tools 5 human needs 6 preventive maintenance 7 what can i do to help someone who is depressed or high 8 diet 9 faith 10 my recovery

in her first book in over 10 years pia mellody author of the groundbreaking bestsellers facing codependence and facing love addiction shares her profound wisdom on what it takes to sustain true intimacy and trusting love in our most vital relationships drawing on more than 20 years experience as a counsellor at the renowned meadows treatment centre in arizona mellody now shares what she has learned about why intimate relationships falter and what makes them work using the most up to date research and real life examples including her own compelling personal journey mellody provides readers with profoundly insightful and practical ground rules for relationships that achieve and maintain joyous intimacy this invaluable resource helps diagnose the causes of faulty relationships many of them rooted in childhood and provides tools for readers to heal themselves enabling them to establish and maintain healthy relationships

a pioneer in psychological and spiritual approaches to addiction jacquelyn small integrates ideas from the twelve step movement jungian thought western mysticism and eastern philosophy to create a path breaking new synthesis she shows that codependence rather than being a term that labels and limits us is a spiritual crisis with a sacred purpose and a spiritual solution book jacket

this book presents a paradigm shift about toxic anger anger is an addiction using the wisdoms of john bradshaw pia mellody claudia black alice miller and many other recovery giants verryl grew to understand himself in the context of his past traumas he was finally able to apply all the theories of these authors to heal his anger and rage this expansion of theory to the emotion of toxic anger results in a revolutionary new concept of anger as an addiction this paradigm shift empowers a person to recover from rage as an ill person seeking to be well as opposed to a bad person trying to act better telling yourself you are a bad person is a self defeating message to your inner self but an ill person can get well he presents this new simple and enlightened treatment for anger in easy to follow language ultimately these conclusions are illustrated as a set of simple diagrams that outline the full path of angers development starting from the core emotion of pain from early losses through raging behavior that is life damaging using the revolutionary model of anger as an addiction he demonstrates that anger can be healed there is no need to rationally manage toxic anger while remaining a bad person toxic anger practically evaporates as an emotional impulse as the underlying pain is resolved in the good but ill person included research survey paper on anger management classes by desiree harris m c
