how two extraordinary women crossed the victorian class divide to put christian teachings into practice in the slums of east london nellie dowell was a match factory girl in victorian london who spent her early years consigned to orphanages and hospitals muriel lester the daughter of

a wealthy shipbuilder longed to be free of the burden of money and possessions together these unlikely soulmates sought to remake the world according to their own utopian vision of christ s teachings the match girl and the heiress paints an unforgettable portrait of their late nineteenth century girlhoods of wealth and want and their daring twentieth century experiments in ethical living in a world torn apart by war imperialism and industrial capitalism in this captivating book seth koven chronicles how each traveled the globe nellie as a spinster proletarian laborer muriel as a well heeled tourist and revered christian peacemaker anticolonial activist and humanitarian koven vividly describes how their lives crossed in the slums of east london where they inaugurated a grassroots revolution that took the sermon on the mount as a guide to achieving economic and social justice for the dispossessed koven shows how they devoted themselves to kingsley hall gandhi s london home in 1931 and britain s first people s house founded on the christian principles of social sharing pacifism and reconciliation and sheds light on the intimacies and inequalities of their loving yet complicated relationship the match girl and the heiress probes the inner lives of these two extraordinary women against the panoramic backdrop of shop floor labor politics global capitalism counterculture spirituality and pacifist feminism to expose the wounds of poverty and neglect that christian love could never heal

across the british empire and the world the 1920s and 1930s were a time of unprecedented social and cultural change girls and young women were at the heart of many of these shifts which included the aftermath of the first world war the enfranchisement of women and the rise of the flapper or modern girl out of this milieu the girl guide movement emerged as a response to popular concerns about age gender race class and social instability the british based guide movement attracted more than a million members in over forty countries during the interwar years its success however was neither simple nor straightforward using an innovative multi sited approach kristine alexander digs deeper to analyze the ways in which guiding sought to

mold young people in england canada and india she weaves together a fascinating account that connects the histories of girlhood internationalism and empire while asking how girls and young women understood and responded to guiding s attempts to lead them toward a service oriented useful feminine future

arising in the first decades of the twentieth century the boy scout and girl guide movements came into existence in britain in an era of social and political unrest and were initially the center of intense controversy through the years guiding and scouting broke down class race and gender distinctions and helped youth cope with an emerging mass culture and allowed boys and girls to stretch gender and generational boundaries using official documents logbooks diaries and oral histories tammy proctor explores the formation of the scouts and guides and their transformation during and after world war i the interwar period marked a departure for the two organizations as they emerged as large multinational organizations that targeted not only adolescents but also smaller children and young adults

this volume examines scouting the largest voluntary movement for girls in its first century of existence seeking to understand how the organization has lasted and how it has changed scouting for girls a century of girl guides and girl scouts is the first global history of girl scouting and guiding that addresses the successes and pitfalls of the 100 year old organization from its beginning in great britain through its international expansion since 1910 millions of girls worldwide have been exposed to scouting while much has changed since 1910 the core values of scouting guiding are still recognizable in today s programs namely the empowerment of girls through adventure character building home skills outdoor pursuits and active learning but has scouting s very willingness to change with the times undermined its original ideologies and fundamentally changed the movement as girl scouts and guides move into their second century their challenge will be to remain true to their founding values while remaking

themselves on a regular basis given the changing nature of today's societies and the serious problems girls face on a daily basis girl guides and girl scouts will need to be true to their motto be prepared in order to march forward successfully into the future

the late victorian period brought a radical change in cultural attitudes toward middle class women and work anxiety over the growing disproportion between women and men in the population combined with an awakening desire among young women for personal and financial freedom led progressive thinkers to advocate for increased employment opportunities the major stumbling block was the persistent conviction that middle class women ladies could not work without relinquishing their social status through media reports public lectures and fictional portrayals of working women from spinster to career woman traces advocates efforts to alter cultural perceptions of women work class and the ideals of womanhood focusing on the archetypal figures of the hospital nurse and the typewriter arlene young analyzes the strategies used to transform a job perceived as menial into a respected profession and to represent office work as progressive employment for educated women this book goes beyond a standard examination of historical social and political realities delving into the intense human elements of a cultural shift and the hopes and fears of young women seeking independence providing new insights into the victorian period from spinster to career woman captures the voices of ordinary women caught up in the frustrations and excitements of a new era

at home in the institution examines space and material culture in asylums lodging houses and schools in victorian and edwardian england and explores the powerful influence of domesticity on all three institutional types
