an exceptionally well known social psychologist offers the most definitive work to date on life cycle sociology appropriate as a text or supplement for courses on socialization social psychology and aging foundations of modern sociology series

this introductory text presents a unique approach to the examination of sociological principles it draws you into the material and encourages a deeper understanding of the discipline by focusing on such overarching questions as how do sociologists

study society how is society possible why is there misery in the world and are human beings free you ll learn about the philosophies of classical sociologists such as marx weber durkheim mead and berger and look at how the field of sociology has approached these questions over the past 150 years you ll also consider the benefits and drawbacks of globalization read about how individuals can affect society and learn how the tea party political movement and the revolution in egypt illustrate social conflict as you explore sociology s compelling questions you ll find that there are often no clear and ready answers

a sociological perspective on hierarchies in educational institutions bridges the gap between theory and practice drawing together research from different perspectives without losing comprehensiveness accuracy and in depth coverage of hierarchy and educational institutions a novel contribution to organizational studies

in the ancient period women were known to engage in many productive activities but over the time reproduction and challenges of pregnancy and childbirth gradually made her dependent on men for protection and food women have been relegated to the margins in spite of the fact that they are numerically half of the world s population this has resulted in women being unable to take a place of human dignity as free and independent entities associated with men on an intellectual and professional equal wavelength the need for women s empowerment is felt because of the status they have in society since the beginning there is a need to redefine the status of women especially in the indian society the impoverished and illiterate status of most women in society is due to their inability to attain sufficient levels of economic power to sustain any level of empowerment women have to be educated to be aware of their rights and privileges in the contemporary society it is only when they become aware of their status in society that they will be able to take full advantage of the concessions offered to them as a corrective measure women empowerment has to begin with women s active participation unless women throw off the v shackles that ignore their talent skill and spirit women through education and economic self reliance cannot be empowered unless they are empowered to take a decisive part in the social political and economic life of the country the very development of the country will be lop sided women s empowerment is a process whereby women become able to organise themselves to increase their own self reliance to assert their independent right to make choices and to control resources which will assist in challenging and eliminating their own subordination the goal of women s empowerment is to address the issues relating to women s subordination inequality and inequity hence it is a process where women are able to change from a state of powerlessness i cannot to a state of collective self confidence we can over the years the scholars and researchers have been engaged in studying and analysing matters related to the better half of the human beings i e women hence more number of research studies been done and books are being published concerning women issues the book is an effort to identify and bestows various facets of women empowerment it discusses the challenges and impediments faced by women recommends strategies to vi address those challenges and ways to cultivate the conditions leading to women s empowerment

it attempts at its best to find the possibilities of overcoming the obstacles identifying significant areas to be strengthened in the dynamic process of empowering women in india it is meant to be a modest contribution to assess women s empowerment against the background of current scenario in the twenty first century i express my sincere gratitude to my parents shri shankarayya r hiremath rtd principal and smt veena s hiremath homemaker my sister ms tejaswini s hiremath lecturer in english my respected teachers colleagues relatives friends and my dear students for the substantive support in the process of publishing this book i extend my thanks to all the members who have supported directly and indirectly towards the publication of this book my earnest thanks to publishers blue diamond publishing 232 magari para chowk bilaspur chhattisgarh zip code 495001 i wish that all the readers will find this book an enriching resource

sociology and christianity attempting to bring sociology and christianity together is like trying to mix oil and water christians seem to have as little regard for sociology as sociologists generally have for christianity however in the middle of this conflict there is a group bold enough to call themselves christian sociologists they are not willing to be stereotyped but are seriously committed to both realms this collection of essays covers topics that are typically addressed in introductory sociology courses written from a christian point of view these essays are also geared for a wide range of readers from undergraduates to professional sociologists who bring faith commitments to the sociological task the editors goal is to provide an understanding of societal forces that is informed by a christian conscience toward that end certain recurring themes are found in this book the need for informed christian social action the conflict between the individual and the community the conflict between freedom and determinism and the significance of social sin

natural disasters traumatize individuals disrupt families and destabilize communities surviving these harrowing events calls for courage tenacity and resilience professional planning requires specific types of knowledge of how people meet and cope with extreme challenges disaster resilience from a sociological perspective examines three major earthquakes occurring in italy over a fourteen year period for a well documented analysis of populations responses to and recovery from disaster the social variables involved and the participation of public agencies this timely volume reviews sociological definitions and models of disaster identifying core features of vulnerability and multiple levels of individual and social resilience the analysis contrasts the structural and supportive roles of italy s civil protection and civil defense services in emergency planning and management as examples of what the author terms professional resilience and testimony from earthquake survivors and volunteers gives voice to the social processes characteristic of disaster among the areas covered social context for concepts of disaster vulnerability risk and resilience types of resilience a multidimensional analysis focused on a physical ecological and ecosystem perspective findings from three earthquakes loss hope and community two systems of organizational response to emergencies toward a relational approach to disaster resilience planning plus helpful tables methodological notes and

appendices for researchers in disaster preparedness psychology and sociology disaster resilience from a sociological perspective raises and addresses salient questions about people and communities in crisis and how studying them can improve preparedness in an uncertain future

the book deals with current issues of the study of religion as an academic discipline especially cognitive anthropological and sociological research of religious thought and behaviour publikace pojednává o aktuálních problémech religionistiky jako akademické disciplíny zejména pak o kognitivním antropologickém a sociologickém výzkumu náboženského myšlení a chování

a valuable compendium broad in scope rich in detail it should be a most useful reference for students and teachers this is how alex inkeles of stanford university described this text it is made more so in this paperback edition aimed to reach a broad student population in sociology and psychology the new introduction written by rosenberg and turner brings the story of social psychology up to date by a rich and detailed examination of trends and tendencies of the 1980s although social psychology is a major area of specialization in sociology and psychology this text is the first comprehensive and authoritative work that looks at the subject from a sociological perspective edited by two of the foremost social psychologists in the united states this book presents a synthesis of the major theoretical and empirical contributions of social psychology they treat both traditional topics such as symbolic interaction social exchange theory small groups social roles and intergroup relations and newer approaches such as socialization processes over the life cycle sociology of the self talk and social control and the sociology of sentiments and emotions the result is an absolutely indispensable text for students and teachers who need a complete and ready reference to this burgeoning field
