promoting democracy has grown from a small little known activity to a high profile

endeavor it now involves academia think tanks and the popular media the number of countries and organizations inter governmental non governmental as well as governmental involved in supporting the spread of democracy is now legion countries touched by these efforts include a majority of all the world s states and some independent territories that are not yet fully sovereign the definitional boundaries between promoting democracy and international advocacy and defense of human rights and good governance are not precise similarly the concept of promoting democracy itself is not uniformly accepted it has become a slogan that attracts both fervent support and grave condemnation for burnell promoting democracy refers to a wide range of non coercive attempts to spread democracy abroad for whatever reason at its heart it is political intervention in the domestic affairs of other countries that seeks to affect the distribution of power whether by patient and non violent involvement or more urgent action democracy assistance projects form a core activity burnell holds that participation in the democracy assistance industry will continue to grow however the industry s progress up until now has in part been contingent on the progress of democratization itself the slowdown that is currently happening in the advance of freedom and democracy around the world and the strength shown by leading authoritarian or semi authoritarian regimes must raise questions about the outlook for democracy promotion if democracy promotion and assistance are to be fit for the future then the need for a broadly based appropriately contextualized examination of the policy and the performance is greater now than at any time in the past

family communication cohesion and change encourages students to observe family interaction patterns analytically and relate communication theories to family interactions using a framework of family functions first person narratives and current research family communication cohesion and change emphasizes the diversity of today s families in terms of structure ethnic patterns and developmental experiences
