this is a book for those who unashamedly want manners in the world they are the essence of living together and we are struggling to find rules that we can agree on in a new world where change and uncertainty are a way of life and personal responsibility is at a disastrous low no one wants to bow and scrape to the rhythms of outdated etiquette any more we

need to seek out the original social purpose of manners and apply the principles to life today we need rules of respect for each other and an agreement to stick to them combining an appeal to history anthropology and common sense with a witty disdain for the sillier snobberies of the traditionalists simon fanshawe has borrowed the format of erasmus s great work on behaviour de civilitate morum puerilum and created a modern basis for good manners so it doesn t matter if you pass the port to the right or the left as long as it goes in one direction and that way everyone gets a drink hold your knife any way you want except as a weapon so strangers will never feel threatened at your table date eat work speak dress talk on your mobile tip text take your children to eat out in any way you like as long as you do it in a way that respects other people this is a campaign join now and march
