for much of her life like many westerners most of what Pamela Olson knew of the middle east was informed by headlines and stereotypes but when she traveled to Palestine in 2003 she found herself thrown with dizzying speed into the realities of Palestinian life Fast Times in Palestine is Olson's powerful deeply moving account of life in Palestine both the daily events that are universal to us all house parties concerts barbecues and weddings as well as the violence trauma and political tensions that are particular to the country from idyllic olive groves to Palestinian beer gardens from Passover in Tel Aviv to

ramadan in a hamas village readers will find olson s narrative both suspenseful and discerning her irresistible story offers a multi faceted understanding of the palestinian perspective on the israel palestine conflict filling a gap in the west s understanding of the difficult relationship between the two nations at turns funny shocking and galvanizing fast times in palestine is a gripping narrative that challenges our ways of thinking not only about the middle east but about human nature cultural identity and our place in the world

from the refugee camps of the lebanon to the relative prosperity of life in the usa the palestinian diaspora has been dispersed across the world in this pioneering study helena lindholm schulz examines the ways in which palestinian identity has been formed in the diaspora through constant longing for a homeland lost in so doing the author advances the debate on the relationship between diaspora and the creation of national identity as well as on nationalist politics tied to a particular territory but the palestinian diaspora also sheds light on the possibilities opened up by a transnational existence the possibility of new less territorialized identities even in a diaspora as bound to the idea of an idealized homeland as the palestinian members of the diaspora form new lives in new settings and the idea of homeland becomes one important but not the only source of identity ultimately though schulz argues the strong attachment to palestine makes the diaspora crucial in any understandings of how to formulate a viable strategy for peace between israelis and palestinians

holy land draws us into the evocative landscape of the holy land itself sacred yet scarred the lands of the bible stimulate us to think about a range of issues that are both urgent and timeless in jerusalem a veritable melting pot of cultures we meditate on the question what is home at the river jordan where john the baptist delivered his radical call to repentance and baptism we ask who am i in the cave of christ s burial and resurrection in the holy sepulchre we wonder how can i face the darkness confronted by the vast desolation of the desert we cry dare i be alone with god and negotiating the obstacle strewn road to emmaus we consider am i ready for change holy land will benefit those preparing to undertake a physical pilgrimage to the holy land and those seeking a spiritual resource to deepen the life of faith and discipleship

from bureaucracy to bullets uses eight compelling case studies from five continents and spanning the 20th and 21st centuries to explore the concept of extreme domicide or the intentional destruction of home as a result of political violence moving beyond mere description from bureaucracy to bullets identifies common factors that contribute to extreme domicide thereby providing human rights actors with a framework to hold perpetrators

accountable for their actions

this new and expanded edition of g john m abbastno s anthology the ethics of homelessness underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity it is argued that they lack moral standing the chapters uncover the harsh realities of poverty where economic value overrides competing human values naomi zack argues that homelessness is symbolic of society s materialistic values it has a tendency to resist sufficient charity and perpetuates conditions of injustice uma narayan questions whether the homeless have protection under the u s constitution other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled the book demonstrates the value of applied philosophy

the peer reviewed essays presented in this interdisciplinary volume explore the many facets of migration and the consequences of displacement on the lives of those individuals who undertake the experience the volume analyses how migrants both experience and express the complex nature of migration and how this significant event affects and transforms individual lives and communities in discussing the migratory experience the authors explore historical and contemporary overseas and transnational forced and voluntary migrations they also utilise multiple sources including historical and archival research oral testimony literature film radio sites of memory material culture and the analysis of discourse narratives the title of the volume imagining home migrants and the search for a new belonging reflects the many ways that the notions of home and belonging can question and redefine each other

a critical history of israel s expansionist politics that reveals how imperialist tendencies run the gamut from left to right
