in 1932 the so called annus mirabilis of modern physics a group of scientists gathered in copenhagen for a week long conference on the extraordinary new work that was taking place in laboratories across the world work that would ultimately lead to the development of nuclear weapons and the ensuing international power struggles segrè s erudite and impressive account explores this crucial moment in history through the lives and careers of seven physicists sitting in the front row of the copenhagen meeting six of them were already in the pantheon of genius while the seventh max delbrück was the author of a skit performed at the conference that lightly parodied the struggle between the old and new theories of physics and eerily foreshadowed the events that were to unfold in the struggle between peaceful uses of scientific discovery and destructive ones

from the 1870s to the second decade of the twentieth century more than fifty exhibitions of so called exotic people took place in denmark here large numbers of people of asian and african origin were exhibited for the entertainment and education of a mass audience several of these exhibitions took place in copenhagen zoo where different villages constructed in the middle of the zoo hosted men women and children who sometimes stayed for months performing their daily lives for thousands of curious danes this book draws on unique archival material newly discovered in copenhagen including photographs documentary evidence and newspaper articles to offer new insights and perspectives on the exhibitions both in copenhagen and in other european cities employing post colonial and feminist approaches to the material the author sheds fresh light on the staging of exhibitions the daily life of the exhibitees the wider connections between shows across europe and the thinking of the time on matters of race science gender

and sexuality a window onto contemporary racial understandings human exhibitions presents interviews with the descendants of displayed people connecting the attitudes and science of the past with both our continued modern fascination with the exotic and contemporary language and popular culture as such it will be of interest to scholars of sociology anthropology and history working in the areas of gender and sexuality race whiteness and post colonialism

this book examines how sovereignty works in the context of european integration and postcolonialism focusing on a group of micro polities associated with the european union it offers a new understanding of international relations in the context of modern sovereignty this book offers a systematic and comparative analysis of the overseas countries and territories octx the eu and the four affected member states uk france the netherlands and denmark contributors explore how states and state like entities play sovereignty games to understand how a group of postcolonial entities may strategically use their ambiguous status in relation to sovereignty the book examines why former colonies are seeking greater room to manoeuvre on their own whilst simultaneously developing a close relationship to the supranational eu methodologically sophisticated this interdisciplinary volume combines interviews participant observation textual legal and institutional analysis for a new theoretical approach to understanding the strategic possibilities and subjectivity of non sovereign entities in international politics bringing together research on european integration and postcolonial theory european integration and postcolonial sovereignty games will be of interest to students and scholars of international relations eu studies postcolonial studies international law and political theory

experiencing networked urban mobilities looks at the different experiences of networked urban mobilities while the focus in the first book is on conceptual and theory driven perspective this second volume emphasizes the empirical investigation of networked urban mobilities this book is a resource for researchers interested in the field to gain easy access and overviews of different themes and approaches represented in the mobilities paradigm

the ultimate insider s guide to copenhagen features interesting and unusual places not found in traditional travel guides part of the

international 111 places 111 shops series with over 250 titles and 1.5 million copies in print worldwide appeals to both the local market more than 600 000 people call copenhagen home and the tourist market more than 8.5 million people visit copenhagen every year fully illustrated with 111 full page color photographs surrounded by water copenhagen is a well loved destination for travelers but it is also a very popular place to live among danes this new city guide has something to offer both taking in overlooked and inconspicuous places that lie outside the usual mainstream attention jan gralle and vibe skytte present an alternative vision of their city opening up insights to special and forgotten places many of the locations described in the book are outside which is largely down to the copenhageners love of spending time outdoors as soon as the sun peaks out from behind the clouds everyone flocks to the harbor to the water onto the many enchanting squares and the numerous street cafés this book is an invitation to both locals and visitors to drift to explore the city from new perspectives and allow themselves to be seduced by its variety and its charm

how to make city cycling the most sustainable form of urban transportation safe practical and convenient for all cyclists cycling is the most sustainable mode of urban transportation practical for most short and medium distance trips commuting to and from work or school shopping visiting friends going to the doctor's office it's good for your health spares the environment a trip's worth of auto emissions and is economical for both public and personal budgets cycling with all its benefits should not be reserved for the fit the spandex clad and the daring cycling for sustainable cities shows how to make city cycling safe practical and convenient for all cyclists
