for most that work with in the strip club industry help comes far to late until now the stripper code of silence has never been broken and the truth never told stiletto diaries will take you off the stage out of the bright neon lights and straight into the truth behind the strip club industry a world where drug overdoses and murder are a daily occurrence a world run by the mob themselves it is solely within the stories of those who have lost their lives due to the industry can the real story be told so

take my hand and come with me on a journey that few ever get to take

this is a book written with a passion born of experience the author sincerely wishes to empower employees who can be despite the plethora of management gurus and training courses manipulated and who are seemingly powerless at the hands of their desperately inadequate managers

what to do when you re caught in the middle of an ethical dilemma at work in today s super stressed workplace an ethical dilemma can come at you when you least expect it here s how to do the right thing without losing your integrity or your job you ve got to be kidding will help you create an ethics based workplace that s a joy to work in this isn t the usual top down executive only manual but an approach to workplace ethics that s as relevant and accessible to employees as it is to managers and executives from renowned workplace educator and author of you want me to do what this book is filled with recognizable examples ripped from today s headlines that put ethical principles in concrete terms filled with recognizable examples that put ethical principles in concrete terms covers such topics as topics as loyalty confidentiality security office romance harassment social networking at work harassment workplace bullying lying for your boss and even internet mischief a practical manual for assessing discussing and resolving ethical dilemmas in the workplace with employees at all levels being held more accountable than ever before you ve got to be kidding gives businesses of all types and sizes a winning set of principles and practices to do business at the highest ethical level and serves as a guide for anyone who wants to do the right thing without losing their integrity or their job

in the past social scientists have relied predominantly on traditional models of work to understand women s experiences these models however have been based on men s occupational experiences which have been assumed to be the same for women more recently researchers and theorists from a variety of disciplines have begun to challenge earlier assumptions as inaccurate reflections of the realities for female workers newer studies have concentrated on the historical and social reasons for women s employment and career choices including changes in economy family and social conditions to provide a deeper understanding of women worker s realities by including the meaning they make of their work experiences the editors have assembled the research of social scientists from various disciplines whose

investigations focused exclusively on this subject their qualitative methodology provides a forum for women to voice issues raise questions and share self reflections about their work experiences and the meaning they make of their work in the context of the rest of their lives the common themes that are interwoven within the fabric of women s work experience are the need to expand traditional definitions of what constitutes work the fluid nature of boundaries between personal life and work life the importance of the relational aspects of their work the issues related to the uses of power at work the role of work in the development of women s sense of self and personal identity and the degree to which women s work experience is colored by discrimination and sexism

the essential book on management from the man who invented the discipline now completely revised and updated for the first time

despite being childhood sweethearts it is clear that the love went out of macey s marriage many years ago her once perfect husband is now an abusive drunk and macey wants better for herself so it is no surprise when she finds herself in the arms of another man her boss adam is caring respectful and chivalrous he is everything she knows she wants in a man and as they grow closer several nights of passion soon follow however despite being careful the inevitable happens macey finds herself pregnant is she carrying her bosses baby or is it her husbands and more importantly who will she be with when she finds out the truth

one of the few descriptive qualitative analyses of what professional women actually do on a day to day basis at work how they experience the work and their fellow workers and how these experiences help shape their careers
