this book offers new essays and interviews addressing wilson s work ranging from examinations of the presence of wilson s politics in his plays to

the limitations of these politics on contemporary interpretations of black aesthetics also includes an updated introduction assessing wilson s legacy since his death in 2005

fences represents the decade of the 1950s and when it premiered in 1985 it won the pulitzer prize set during the beginnings of the civil rights movement it also concerns generational change and renewal ending with a celebration of the life of its protagonist even though it takes place at his funeral critics and scholars have lauded august wilson s work for its universality and its ability especially in fences to transcend racial barriers and this play helped to earn him the titles of america s greatest playwright and the african american shakespeare

playwright august wilson is best known for his american century cycle a sequence of ten plays including the pulitzer prize winning fences and the piano lesson that chronicle the lives of black americans in each decade of the twentieth century but behind the celebrated plays stands a complex man shaped by his hometown s vibrant black culture in august wilson s american century life as art laurence a glasco one of the foremost historians of black life in pittsburgh draws on wilson s early poetry archival material and original interviews with family members neighbors and friends to show how the city and its residents shaped the playwright and his work wilson s overlapping identities as an outsider warrior race man and poet helped him persevere in the face of setbacks weave real life observations with his poetry to craft memorable dialogue and compelling characters and portray the realities of race in america in ways that have resonated with theatergoers and readers ever since glasco uncovers the story of how the people and places of pittsburgh remained with wilson after he left his hometown shining through in a body of work that brought the struggles and triumphs of the black experience to a wide audience and changed american theater for the better

a comprehensive collection of research papers this annual from the centre for trade development new delhi discusses the debates on development impacts of trade through rigorous policy research and analysis reflecting south asian perspectives on multilateral and regional trade negotiations this yearbook examines the challenges the region and especially india is facing as it grows economically this invaluable
