digging for goals is a wonderful book workbook in one mary does a great job of laying a foundation for what is needed in mind body and spirit to develop your desires dreams intentions and if that is not enough mary lays out 7 different approaches for developing those intentions into reality i found digging for goals to be an effective process oriented book to get you from where you are to where you want to be knowing mary as a professional coach her wholistic flavor definitely shines through the process of digging for goals i would highly recommend digging for goals if you are serious about moving toward your dreams in life shawn preuss pcc professional life coach there is little doubt that effective goal setting can make a tremendous positive difference in one s life both personally and professionally the problem for many people is that they simply don t know how to go about the process in digging for goals mary lays out a clear and easy to follow path to effective goal setting the book gets right to the heart of the matter and does so in a compelling and entertaining fashion having worked with mary for many years i have seen first hand how she has helped scores of people lead more accomplished lives by setting and working towards their goals this book can do the same for anyone looking to get more out of their lives william aberman vice president kesslers diamonds digging for goals is a must read for those who have never set goals for themselves as well as those who are sophisticated goal setters the easy to follow guide clearly draws out a game plan that allows people to bring themselves to a higher level in all areas of their lives scott michel owner orange shoe personal fitness and founder of 212 fitness every bookstore has an enormous self help section devoted to advising to lose weight to be better parents or to learn a new skill there s no shortage of advice on what to do yet

the knowing doing gap remains the books gather dust and the readers have the same unachieved goals they did when they purchased the self help book mary barnes johnson has developed a workbook digging for goals spectacularly avoiding telling the reader what to do instead it tells us how to achieve whatever goal or goals we set it's not preachy it's not long winded it takes us step by step through the process and gives real life examples of overcoming obstacles any true change is sure to face regardless what our goal is digging for goals can provide inspiration and methods to achieve it thanks mary for helping us succeed barb kachelski cae mba association executive director diggingforgoals com

personalized learning in the middle grades shows how teachers in grades 5 8 can leverage the use of personalized learning plans plps to increase student agency and engagement helping youth to establish learning goals aligned with their interests and assess their own learning particularly around essential skills that cut across disciplines drawing on their research and work with fifty schools in vermont where plps are used statewide the authors show how personalized learning aligns with effective middle grades practice and provide in depth examples of how educators have implemented plps in a wide range of schools representing different demographics and grade configurations they also highlight five critical roles for teachers in personalized learning environments as empowerer scaffolder scout assessor and community builder and illustrate how teachers can adapt the plp process for their own unique contexts grounded in experience and full of engaging examples artifacts and tools the book builds on the emerging field of personalized learning and connects it with the developmental needs of middle schoolers to provide a unique and valuable resource for individual classroom teachers teacher teams school leaders teacher educators and others
