the complete topical guide to the bible provides scripture references definitions and

cross references for the study of the bible by topic the topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance while a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic a concordance would not yield john 3 16 for a study of grace because the word grace does not appear in the verse but the complete topical guide to the bible includes john 3 16 for grace because it s an essential verse on the topic the topics in this resource include biblical doctrinal and historical subjects and they are organized into nine major categories god jesus christ the holy spirit creation humanity sin and salvation god s people the life of the believer and the last things in addition to the great themes of the biblical message practical issues of christian living are also included

to get the most out of studying the bible usually requires a concordance a dictionary a topical bible and a handbook the zondervan all in one bible reference guide combines the best features of all four in one convenient location this easy to use resource covers a wide range of topics people places events and themes from scripture entries are arranged alphabetically making it easy for us to find the information needed to expand our understanding of god s word the zondervan all in one bible reference guide is ideal for pastors bible study leaders and everyone who wants to learn more from god s word based on the niv the most read most trusted translation of the bible this reference guide will prove to be indispensable no matter what translation is used
