in his book *mein kampf* adolf hitler claims that he made the decision to use the swastika as the emblem for his fledgling movement he was responsible for the shape the swastika finally took and for the choice of colours used which set the pattern for all subsequent flags in this third of a series of texts maa 270 maa 274 brian l davis investigates the flags of the third reich party and police units the text is complemented by numerous contemporary photographs and eight full page colour plates by malcolm mcgregor

in the summer of 1642 the first civil war between king and parliament had broken out in england initially both sides were confident of victory but after the first campaigns ended in stalemate they began looking for allies the meddling of the stuart kings with scotland s religious traditions provoked the national covenant and later the solemn league and covenant yet many scots continued to support the king and after his execution his exiled son this compact volume by stuart reid examines the scots armies who fought in the english civil wars and features numerous illustrations and photographs including full page colour plates by graham turner

excerpt from our country s flag and the flags of foreign countries looking more carefully at the difference between the two directions of the new education we can see what each accomplishes there is first an effort to train the original powers of the individual and make him self active quick at observation and free in his thinking next the new education endeavors by the reading of books and the study of the wisdom of the race to make the child or youth a participator in the results of experience of

all mankind these two movements may be made antagonistic by poor teaching the book knowledge containing as it does the precious lesson of human experience may be so taught as to bring with it only dead rules of conduct only dead scraps of information and no stimulant to original thinking its contents may be memorized without being understood on the other hand the self activity of the child may be stimulated at the expense of his social well being his originality may be cultivated at the expense of his rationality if he is taught persistently to have his own way to trust only his own senses to cling to his own opinions heedless of the experience of his fellows he is preparing for an unsuccessful misanthropic career and is likely enough to end his life in a madhouse it is admitted that a too exclusive study of the knowledge found in books the knowledge which is aggregated from the experience and thought of other people may result in loading the mind of the pupil with material which he can not use to advantage about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
