the essential reference for financial risk management filled with in depth insights and practical advice the financial risk manager handbook is the core text for risk management training programs worldwide presented in a clear and consistent fashion this completely updated sixth edition mirrors recent updates to the new two level financial risk manager frm exam and

is fully supported by GARP as the trusted way to prepare for the rigorous and renowned FRM certification. This valuable new edition includes an exclusive collection of interactive multiple choice questions from recent FRM exams. *Financial Risk Manager Handbook*, Sixth Edition, supports candidates studying for the Global Association of Risk Professionals' (GARP) annual FRM exam and prepares you to assess and control risk in today's rapidly changing financial world. Authored by renowned risk management expert Philippe Jorion with the full support of GARP, this definitive guide summarizes the core body of knowledge for financial risk managers, offers valuable insights on managing market, credit, operational, and liquidity risk, examines the importance of structured products, futures, options, and other derivative instruments, contains new material on extreme value theory, techniques in operational risk management, and corporate risk management. *Financial Risk Manager Handbook* is the most comprehensive guide on this subject and will help you stay current on best practices in this evolving field. The FRM Handbook is the official reference book for GARP's FRM certification program.

An essential guide to financial risk management as well as the only way to ace the GARP FRM exam, the Financial Risk Management Exam (FRM) was developed by the Global Association of Risk Professionals (GARP) as a means of establishing an industry standard of minimum professional competence in the field. It is given annually in November for risk professionals who want to earn FRM certification. Authored by renowned financial risk management guru Philippe Jorion with the full support of GARP, this is the definitive guide for those preparing to take the FRM exam, with the help of questions and solutions taken from previous exams. Jorion coaches readers on quantitative methods, capital markets, and market credit, operational, and risk management concepts and assessment techniques. In addition to being the indispensable guide for those aspiring to FRM certification, *Financial Risk Manager Handbook* also serves as a valued working reference for risk professionals. Philippe Jorion, PhD, Irvine, CA, is a professor of finance at the Graduate School of Management at UC Irvine. He has also taught at Columbia University, Northwestern University, the University of Chicago, and the University of British Columbia.
