this essay sheds light on what are economic efficiencies explicates what causes economic efficiencies to emerge in an economy and expounds upon the benefits of economic efficiencies emerging in an economy succinctly stated economic efficiencies are the underpinnings of an efficient economy an efficient economy is often replete with economic efficiencies economic efficiencies are the efficacious usage of resources in an economy resources in an economy can include the tangible resources and intangible resources in an economy some of the tangible resources in an economy encompass raw materials equipment facilities artificial intelligence powered robots and vehicles some of the intangible resources in an economy encompass labor fiat currency intellectual properties software programs brand equity brand reputation product development knowledge and research findings another intangible resource in an economy is a person s precious time it is beneficial to an economy when a person s sacrosanct time is never

misused a person's sacrosanct time should be utilized in a prudent manner the prevalence of economic efficiencies in an economy can also help to cultivate economic growth in an economy economic efficiencies are the antitheses of economic inefficiencies in stark contrast to economic efficiencies that are the underpinnings of an efficient economy economic inefficiencies are the underpinnings of an inefficient economy economic inefficiencies are the inefficacious usage of resources in an economy the pervasive presence of economic inefficiencies in an economy can render it more cumbersome for a person who works a real private sector job based on voluntary demand to be able to afford to augment his standard of living furthermore the pervasive presence of economic inefficiencies in an economy can also adversely undermine the economic growth potential of an economy it can be arduous for a person who works a real private sector job based on voluntary demand to be able to afford to augment his standard of living since the cost to attain a high standard of living is exorbitant in this controlled market economy the cost of living is inordinate and is on a trajectory to continually amplify every year the causes of economic efficiencies in an economy are multitudinous favorable economic policies elicit economic efficiencies in an economy favorable economic policies in an efficient economy are not limited to the prohibition of counterproductive business stifling regulations the prohibition of the mandate to purchase products that people are disinterested in purchasing and the prohibition of the mandate to purchase services that people are disinterested in purchasing furthermore another favorable economic policy in an economy encompasses the prohibition of the flagrantly deplorable injustice of slavery being perniciously perpetrated against people moreover additional favorable economic policies in an economy encompass the option for people to voluntarily contribute to funding a voluntary universal basic income and the option for people to voluntarily choose to be the beneficiaries of a voluntary universal basic income in an efficient economy people have purview over how all of their money is expended and over how all of their time is earmarked favorable economic policies that prohibit unfavorable economic policies from being implemented in an economy are able to

prompt economic efficiencies in an economy furthermore favorable economic policies that prohibit unfavorable economic policies from being implemented in an economy are also able to help transform an economy into an efficient economy an efficient economy is replete with favorable economic policies the implementation of unfavorable economic policies in an economy is conducive to transforming an economy into an inefficient economy an inefficient economy is replete with unfavorable economic policies furthermore an inefficient economy is an economy that is also devoid of favorable economic policies the implementation of unfavorable economic policies in an economy elicits economic inefficiencies in an economy moreover the implementation of unfavorable economic policies in an economy not only severely undermines the economic growth potential of an economy but is also unconducive to helping to transform an economy into an efficient economy

this essay sheds light on what are tariffs explicates how the imposition of tariffs adversely impacts an economy demystifies how the imposition of tariffs can increase the unemployment rate in an economy and elucidates why tariffs should be abolished in an economy succinct stated tariffs are evisceration fees that are imposed by bureaucratic apparatuses in a controlled market economy in a controlled market economy tariffs are paid by the importers of products the importers of products are typically companies in a controlled market economy the importers of products do not receive anything for paying tariffs furthermore in this controlled market economy there are an exorbitant amount of evisceration fees that are imposed by bureaucratic apparatuses which people who work real private sector jobs based on voluntary demand pay and do not receive anything for paying it is more cumbersome for a person to be able to augment his standard of living if he lacks purview over how all of his hard earned money is expended companies that acquiesce to paying tariffs on their purchase orders are at a high probability to indirectly pass on the cost of paying tariffs on their purchase orders to the members of their target market by significantly amplifying the prices of their products when companies indirectly pass on the cost of paying

tariffs on their purchase orders to the members of their target market by significantly amplifying the prices of their products then they often do so in a manner that allows them to at least maintain their profit margin per product sold companies often prefer to not elicit an extremely low profit margin per product sold if companies were to have an extremely low profit margin per product sold it then can undermine their net income potential by maintaining a high profit margin per product sold it is less cumbersome for companies to be able to furnish massive compensations to their executives less arduous for companies to be able to furnish sizeable retainer fees to their external directors and less cumbersome for companies to maximize the wealth of their shareholders furthermore by maintaining a high profit margin per product sold companies have more capital to earmark into research and development efforts and expansion pursuits the imposition of tariffs adversely impacts an economy in a multitude of disparate ways the imposition of tariffs can reduce the standard of living in contexts in which it culminates in companies indirectly passing on the cost of paying tariffs on their purchase orders to the members of their target market by significantly amplifying the prices of their products when companies opt to indirectly pass on the cost of paying tariffs on their purchase orders to the members of their target market by significantly amplifying the prices of their products it then can concomitantly amplify the cost of living it is calamitous for the cost of living to be exorbitant when the cost of living significantly amplifies it then can render it more cumbersome for people who are part of the real private sector workforce to be able to afford to attain an extremely low standard of living as of august of 2025 the total cost to attain an extremely low standard of living can be eminently sizeable in order to attain an extremely low standard of living a person needs to earn enough fiat currency to at least be able to afford to not only pay the perpetually recurring room rental fee and be able to afford to not only purchase a vehicle purchase functional vehicle parts purchase a computer purchase a smartphone incessantly purchase food incessantly purchase fuel for his vehicle and incessantly purchase oil for his vehicle but also needs to earn enough fiat currency to at least be able to afford to pay

the perpetually recurring exorbitant auto insurance premium pay the perpetually recurring driver s license renewal fee pay the perpetually recurring exorbitant vehicle registration fee pay the perpetually recurring tire rotation fee pay the perpetually recurring internet subscription service fee and pay the perpetually recurring smartphone subscription service fee the imposition of tariffs can also precipitate the occurrence of inflation in an economy the occurrence of inflation in an economy is detrimental to an economy

reports for 1887 88 1918 19 include the station s various publications e g bulletins circulars leaflets reading courses etc
