discussion concerning the musicality of samuel beckett s writing now constitutes a familiar critical trope in beckett studies one that continues to be informed by the still emerging evidence of beckett s engagement with music throughout his personal and literary life and by the ongoing interest of musicians in beckett s work in beckett s drama and prose writings the relationship with music plays out in implicit and explicit ways several of his works incorporate canonical music by composers such as schubert and beethoven other works

integrate music as a compositional element in dialogue or tension with text and image while others adopt rhythm repetition and pause to the extent that the texts themselves appear to be scored but what precisely does it mean to say that a piece of prose or writing for theatre radio or screen is musical the essays included in this book explore a number of ways in which beckett's writings engage with and are engaged by musicality discussing familiar and less familiar works by beckett in detail ranging from the scholarly to the personal in their respective modes of response and informed by approaches from performance and musicology literary studies philosophy musical composition and creative practice these essays provide a critical examination of the ways we might comprehend musicality as a definitive and often overlooked attribute throughout beckett's work

contributions by dorian l alexander chris bishop david budgen lewis call lillian céspedes gonzález dominic davies sean eedy adam fotos michael goodrum simon gough david hitchcock robert hutton iain a macinnes ma gorzata olsza philip smith edward still and jing zhang in drawing the past volume 2 comics and the historical imagination in the world contributors seek to examine the many ways in which history worldwide has been explored and re-represented through comics and how history is a complex construction of imagination reality and manipulation through a close analysis of such works as v for vendetta maus and persepolis this volume contends that comics are a form of mediation between sources both primary and secondary and the reader historical comics are not drawn from memory but offer a nonliteral interpretation of an object re-constructed in the creator's mind indeed when it comes to history stretching the limits of the imagination only serves to aid in our understanding of the past and through that understanding shape ourselves and our futures this volume the second in a two-volume series is divided into three sections history and form historical trauma and mythic histories the first section considers the relationship between history and the comic book form the second section engages academic scholarship on comics that has recurring interest in the representation of war and trauma the final section looks at mythic histories that consciously play with events that did not occur but nonetheless inflect our understanding of history contributors to the volume also explore questions of diversity and relationality addressing differences between nations and the cultural historical and economic threads

that bind them together however loosely and however much those bonds might chafe together both volumes bring together a range of different approaches to diverse material and feature remarkable scholars from all over the world

portrayals of children in popular culture fleeting images edited by vibiana bowman cvetkovic and debbie olson is a collection which examines images of children and childhood in popular culture including print online television shows and films the contributors to this volume explore the constructions of children and childhood rather than actual children or actual childhoods in the chapters that are concerned with depictions of actual individual children the authors investigate how the images of those children conform or trouble current notions of what it means to be a child engaged in a contemporary childhood this is a unique volume because of the academic discourse which is employed that of childhood studies the childhood studies scholars represented in this collection utilize an interdisciplinary approach which draws upon various academic fields their methodologies theoretical approaches and scholarly conventions for the scholarly research in this collection together the contributions to this collection interrogate classic notions of childhood innocence knowledge agency and the fluid position of the signifier child within contemporary media forms these interdisciplinary works function as a testament to the infectiousness of the child image in print television and cinematic contexts and represent a new avenue of discursive scholarship the questions raised and connections made provide fresh insights and unique perspectives to topics regarding children and childhood and their representation within multiple media platforms the growing field of childhood studies is enriched by the intellectual originality represented by this volume s authors who ask new questions about the enduring and captivating image of the child
