this far reaching and contemporary new encyclopedia examines and explores the lives and experiences of lesbian gay bisexual transgender and queer lgbtq individuals focusing on the contexts and forces that shape their lives the work focuses on lgbtq issues and identity primarily through the lenses of psychology human development and sociology emphasizing queer feminist and ecological perspectives on the topic and addresses questions such as what are the key theories used to understand variations in sexual orientation and gender identity how do gay straight alliances gsa affect lgbtq youth how do lgbtq people experience the transition to parenthood how does sexual orientation intersect with other key social locations such as race to shape experience and identity what are the effects of marriage equality on sexual minority individuals and couples top researchers and clinicians contribute to the 400 signed entries from fields such as psychology human development gender queer studies sexuality studies social work sociology the sage encyclopedia of lgbtq studies is an essential resource for researchers interested in an interdisciplinary perspective on lgbtq lives and issues

this ground breaking encyclopedia presents a new take on the field of queer studies with its wide and inclusive range of entries examining pathways for research into gender sexuality and relationships it covers significant developments in digital culture globalization identity health and politics

in poor queer studies matt brim shifts queer studies away from its familiar sites of elite education toward poor and working class people places and pedagogies brim shows how queer studies also takes place beyond the halls of flagship institutions

in night school after a three hour commute in overflowing classrooms at no name colleges with no research budget without access to decent food with kids in tow in a state of homelessness drawing on the everyday experiences of teaching and learning queer studies at the college of staten island brim outlines the ways the field has been driven by the material and intellectual resources of those institutions that neglect and rarely serve poor and minority students by exploring poor and working class queer ideas and laying bare the structural and disciplinary mechanisms of inequality that suppress them brim jumpstarts a queer class knowledge project committed to anti elitist and anti racist education poor queer studies is essential for all of those who care about the state of higher education and building a more equitable academy

finding out introduces readers to lesbian gay bisexual transgender lgbt studies unlike most books on lgbt this textbook combines original material with esteemed journal articles chapter introductions written by the authors place current research findings in a clear context finding out reviews the history of same sex relationships and gender variance from ancient greece to the present yet goes beyond a historical account to provide an in depth examination of lgbt culture and society key features includes chapter introductions that gives students a useful context for each research article connects chapter topics to one another with lambda links which help facilitate analysis and discussion directs readers to relevant studies and information with find out more boxes in each chapter i am most impressed by this book s blend of comprehensive scope with approachable intelligent presentation it provides material valuable for both students new to the field and those taking more advanced courses without excluding either group on the basis of approach or diction i just love this book sarah hope parmeter university of california santa cruz this text will give me a way to teach lgbt issues as central that is not as tangents as add ons as side issues but as a central area of inquiry this text is by far the best thing i have seen and it is heads and shoulders above any other possibilities mary armstrong california polytechnic state university san luis obispo

intended audience this core text is designed for introduction to sexuality studies as well as other undergraduate courses that include lgbt topics anyone interested in the history culture and society of lgbt will find this book an informative resource

today many states have proposed so called don t say gay bills that prohibit public school teachers from mentioning lgbtq topics in the classroom but a few states like california have taken decisive steps in the other direction they mandate inclusive education that treats lgbtq history as essential to the curriculum at once a history of an evolving movement and an activist handbook contested curriculum navigates the rocky path to lgbtq inclusive k 12 history education in the united states and recounts the fight for a curriculum that recognizes the value of queer and trans lives what began in fits and starts in activism and educational materials across the late twentieth century led to the passage of california s landmark fair education act in 2011 ensuring that lgbtq history has a place in the k 12 classroom historian don romesburg the lead scholar who worked with advocacy organizations to pass the act recounts the decades long struggle to integrate lgbtq content into history education policy textbooks and classrooms looking at california and states that followed its lead he assesses the challenges and opportunities presented by this new way of teaching history romesburg s powerful case for lgbtq inclusive education is all the more urgent in this era of anti gay book bans regressive legislation and attempts to diminish the vital role that inclusive and honest history education should play in a democratic nation

describes current issues research and policies and seeks to assist institutions of higher education in their search for ways to support and foster the success of lesbian gay bisexual and transgender college students and to nurture lgbt faculty and staff

this practical handbook written by two self described queer people of faith covers the basic skills religious caregivers and ministry students need in order to be effective enlightened and supportive pastoral care providers to lgbtq persons within as well as outside their congregations and communities

featuring more than 200 entries this work is an authoritative source for educators researchers and students seeking an understanding of lesbian gay bisexual and transgender lgbt youth this work examines policy practice and research concerning youth who are often the victims of bullying and harassment

public health services for sexual minorities have suffered from practitioners lack of knowledge about sexual or gender orientation specific health concerns and inherent system homophobia and heterosexism the handbook of lesbian gay bisexual and transgender public health a practitioner s guide to service provides a unique focus on lgbt public health offering positive direction for practitioners looking for guidance in methods to ensure a healthy community for all while taking into consideration the special needs of sexual minorities each chapter is exhaustively referenced includes useful lists of selected resources is clearly illustrated with tables and diagrams and asks questions to spark thought on the issues as they pertain to the reader s circumstances

drawing from 17 years of data and experience with same sex marriage in scandinavia in the form of registered partnerships gay marriage for better or for worse is the first book to present empirical evidence about the effects of same sex marriage on society spedale and eskridge find that the evidence refutes conservative defense of marriage arguments and in fact demonstrates that the institution of marriage may indeed benefit from the legalization of gay marriage if we look at the proof from abroad the authors show we must conclude that the sanctioning of gay marriage in the united states would

neither undermine marriage as an institution nor harm the wellbeing of our nation's children

hundreds of alphabetically arranged biographical and topical entries survey the current state of lesbian gay bisexual transgender and queer american culture

drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field this text is organised into four sections history and theory identity and community institutions and politics

featuring more than 200 entries this work is an authoritative source for educators researchers and students seeking an understanding of lesbian gay bisexual and transgender lgbt youth this work examines policy practice and research concerning youth who are often the victims of bullying and harassment

data has never mattered more our lives are increasingly shaped by it and how it is defined collected and used but who counts in the collection analysis and application of data this important book is the first to look at queer data defined as data relating to gender sex sexual orientation and trans identity history the author shows us how current data practices reflect an incomplete account of lgbtq lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people guyan demonstrates why it is important to understand collect and analyse queer data the benefits and challenges involved in doing so and how we might better use queer data in our work arming us with the tools for action this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation changes to legislation access to services representation and visibility

lesbians in television and text after the millennium explores popular contemporary texts featuring lesbian characters

including the I word queer as folk dykes to watch out for and various pornographic videos beirne places these works in the context of political and cultural trends of the post millennial period and compares them to cultural representations of lesbians from the past taking up such issues as mainstreaming feminine lesbians the male gaze female masculinity and sexual practice this book puts forward provocative readings of texts that have been little explored and offers new insights into the depiction of lesbians in popular culture

designed for professionals interested in building safe and inclusive work and learning environments for adults readers will gain knowledge skills tools and resources to identify sexual minority needs
