learning the left explores how liberal politics in the u s have been taught through popular media and the arts from the 20th century to today this essay collection highlights mass culture as an educational site aiming to spark discussions among scholars especially historians of education

the diverse range of critical pedagogues presented in this book comes from a variety of backgrounds with respect to race gender and ethnicity from various geographic places and eras and from an array of complex political historical religious theological social cultural and educational circumstances which necessitated their leadership and resistance how each pedagogue uniquely lives in that tension of dealing with pain and struggle while concurrently fostering a pedagogy that is humanizing is deeply influenced by their individual autobiographical lens of reality the conceptual thought that enlightened them the circumstances that surrounded them and the conviction that drove them to be sure people of justice people who resist are framed by a vision that embraces an inclusive tolerant more loving community that passionately calls for a more democratic citizenship that is just what the 34 critical pedagogues represented in this text heroically do through the highlighting of their lives and work this book is not only an excellent resource to serve as a springboard to engage us in dialogue about pivotal issues and concerns related to justice equality and opportunity but also to prompt us to further explore deeper into the lives and thought of some extraordinary people a critical

pedagogy of resistance 34 pedagogues we need to know is an ambitious undertaking kirylo s narrative enterprise which seeks to chronicle the lives of transformative pedagogues is a project whose time has come this text is an excellent resource for all those interested in the aesthetic that as kierkegaard believed exercised power for the common good luis mirón

this book explores how curriculum texts and theorists can inform modern education the authors examine key works offering insights into curriculum teaching and leadership this final book in the series provides a scholarly view of 33 books that should have been included in the previous volumes

the failure of alternative and continuation schools to educate our most vulnerable adolescent populations is slowly eliminating them from our educational landscapes millions of struggling teens lacking options are being set adrift without the necessary capabilities and without hope but recent research can provide avenues of change to lead these student populations to academic achievement equipping educators with both the theoretical framework and a range of practical applications for program and classroom improvements beyond dropping out provides a look into successful alternative education that will elevate academic strugglers to academic successes

how is race defined and perceived in america today and how do these definitions and perceptions compare to attitudes 100 years ago or 200 years ago this four volume set is the definitive source for every topic related to race in the united states in the 21st century it is easy for some students and readers to believe that racism is a thing of the past in reality old wounds have yet to heal and new forms of racism are taking shape racism has played a role in american society since the founding of the nation in spite of the words all men are created equal within the declaration of independence this set is the largest and most complete of its kind covering every facet of race relations in the united states while providing information in a user friendly format that allows easy cross referencing of related topics for efficient research and learning the work serves as an accessible tool for high school researchers provides important material for undergraduate students enrolled in a variety of humanities and social sciences courses and is an outstanding ready reference for race scholars the entries provide readers with comprehensive content supplemented by historical backgrounds relevant examples from primary documents and first hand accounts information is presented to interest and appeal to readers but also to support critical inquiry and understanding a fourth volume of related primary documents supplies additional reading and resources for research

in this powerful and culminating work about a group of inner city children he has known for many years jonathan kozol returns to the scene of his prize winning books rachel and her children and amazing grace and to the children he has vividly portrayed to share with us their fascinating journeys and unexpected victories as they grow into adulthood for nearly fifty years jonathan has pricked the conscience of his readers by laying bare the savage inequalities inflicted upon children for no reason but the accident of being born to poverty within a wealthy nation a winner of the national book award the robert f kennedy book award and countless other honors he has persistently crossed the lines of class and race first

as a teacher then as the author of tender and heart breaking books about the children he has called the outcasts of our nation's ingenuity but jonathan is not a distant and detached reporter his own life has been radically transformed by the children who have trusted and befriended him never has this intimate acquaintance with his subjects been more apparent or more stirring than in fire in the ashes as jonathan tells the stories of young men and women who have come of age in one of the most destitute communities of the united states some of them never do recover from the battering they undergo in their early years but many more battle back with fierce and often jubilant determination to overcome the formidable obstacles they face as we watch these glorious children grow into the fullness of a healthy and contributive maturity they ignite a flame of hope not only for themselves but for our society the urgent issues that confront our urban schools a devastating race gap a pathological regime of obsessive testing and drilling students for exams instead of giving them the rich curriculum that excites a love of learning are interwoven through these stories why certain children rise above it all graduate from high school and do well in college while others are defeated by the time they enter adolescence lies at the essence of this work jonathan kozol is the author of death at an early age savage inequalities and other books on children and their education he has been called today's most eloquent spokesman for america's disenfranchised but he believes young people speak most eloquently for themselves and in this book so full of the vitality and spontaneity of youth we hear their testimony

supersummary a modern alternative to sparknotes and cliffnotes offers high quality study guides for challenging works of literature this 51 page guide for fire in the ashes by jonathan kozol includes detailed chapter summaries and analysis covering 13 chapters as well as several more in depth sections of expert written literary analysis featured content includes commentary on major characters 25 important quotes essay topics and key themes like the invisibility of the poor and the power of education

analyzes the problematic trends facing america's cities and older suburbs and challenges us to put america's urban crisis back on the national agenda

here is your road map to the vast and previously uncharted terrain of recreational nonfiction after defining the genre and discussing its unique characteristics and appeals the author describes more than 500 popular nonfiction titles and organizes them according to genre everything from true adventure true crime and travel narratives to investigative nonfiction environmental writing and life stories genres are subdivided into subgenres and popular themes such as micro histories deep science and humorous memoirs focus is on the best titles published within the last decade with key classics and benchmark titles also cited for each title you'll find a short list of nonfiction read alikes and fiction read alikes are listed for each genre

the destructive path of neoliberalism an international examination a compilation of twelve essays by leading scholars and educators sheds light on the social political economic and historical forces behind the rise of neoliberalism the dominant ideological doctrine impacting developments in schools and other social contexts across the globe for over thirty years several authors provide rich empirical data from schools across the globe

to capture how neoliberal imperatives discourses and practices are impacting teachers students and communities at today s historical juncture finally several contributors have developed pedagogical initiatives suggest policy considerations and convey theoretical insights designed to assist us in the struggle against the corporatization of schooling and social life

this book examines the international hopes for equality in education over the past 60 years by looking at the current evidence and theory on social class and schooling for more than half a century the relation between social class and education has been the subject of intense debate and political struggle as well as the focus for the aspirations of millions of citizens and their children in western democracies this book will be relevant to teachers advanced undergraduates and graduate students in the areas of the history sociology and politics of education as well as policy analysis and applied social theory

emphasizing the centrality of race class and gender in understanding people s life experiences and social problems in the us and other nations this college level text addresses contentious issues with reason and perspective topics covered in the volume s 18 chapters include wealth and poverty t
