notorious criminals have captured our imaginations for years and years but we don't forget either the many people and organizations who fight back j edgar hoover and eliot ness have entered into the american psyche as two of our most aggressive and successful crime fighters still there are others who have risen to the occasion combating crime in all its manifestations from the u s marshals fbi agents and secret service to rudy giuliani john walsh host of america's most wanted and joseph pistone aka donnie brasco this set highlights some of the nation's bravest crime stoppers icons of crime fighting will enlighten the curious mind with a comprehensive overview of the most successful the most well known and the most important crime fighters in recent american history part of our national culture these figures represent all that is good about the american justice system moreover they exemplify how individuals in the criminal justice system have made a real difference in law enforcement these titans of law enforcement are profiled in this important and timely set those covered in the set include gun fighters u s marshals of the old west allan pinkerton the texas rangers august vollmer j edgar hoover and the fbi thomas dewey robert kennedy jim garrison buford pusser eddie egan and sonnie grosso bob woodward and carl bernstein francisco vincent serpico joe pistone aka donnie brasco vincent t bugliosi john walsh fbi profilers sheriff joe arpaio mark fuhrman rudolph rudy giuliani curtis sliva dr henry lee and dr bill blass

after roughly 15 years of merger control application in the federal republic of germany a reassessment of the significance of this instrument of antitrust policy seems necessary this is particularly so in view of the reorientation of merger control policy in the united states which has been in its original version the model for the german merger control system concerning merger control the reorientation is characterized by the notion that the structure conduct performance paradigm which has dominated u s antitrust for a quarter of a century is imprecise or even incorrect and that bigness in business does not necessarily mean badness this makes the fundamental question arise of whether the german merger control system is still up to date in terms of the underlying market theory and of whether the german act against restraints of competition needs a reorientation towards aspects of market conduct and performance instead of market structure by means of a fifth amendment

contains 625 alphabetically arranged entries that examine various aspects of criminal justice in the u s covering criminals codes and categories of law law enforcement agencies courts corrections the u s constitution and supreme court rulings includes a time line personages and subject indexes and other reference materials
