brings together for the first time the stories of Larry Brown's previous collections along with those never before gathered. The self-taught Brown has long had a cult following and this collection comes with an intimate and heartfelt appreciation by novelist Jonathan Miles. We see Brown's early forays into genre fiction and the horror story then develop his fictional gaze closer to home on the people and landscapes of Lafayette County, Mississippi. And what's astonishing here is the odyssey these stories chart Brown's self-education as a writer and the incredible artistic journey he navigated from plant growing problems to a roadside resurrection. This is the whole of Larry Brown, the arc laid bare, both an amazing story collection and the fullest portrait we'll see of one of the South's most singular artists.

This book investigates the development of crime fiction in the 1880s and 1890s, challenging studies of late Victorian crime fiction which have given undue prominence to a handful of key figures and have offered an over-simplified analytical framework, thereby overlooking the generic, moral, and formal complexities of the nascent genre.

For more than twenty-five years, Amanda Cross has been blazing a trail for the rest of us to follow. declares Sara Paretsky. The New York Times book review adds that if by some cruel oversight you haven't discovered Amanda Cross, you have an uncommon pleasure in store for you. Pleasure indeed. Amanda Cross is master of the American literary whodunit. In her delicately menacing short fiction assembled here in one volume for the first time, dangerous impulses seize the most unlikely individuals and everyday existence is fast eclipsed by the bizarre. With a brilliant touch as light as a butterfly's wing, Cross creates unforgettable characters who probe the baffling conundrums that seek them out: the disappearance of an unpopular university colleague gone before anyone told her that they loved her; the enigma of the nameless toddler who walks out of the bushes one New England summer afternoon; the cold-blooded murder of Mrs. Byron Lloyd shot dead during a writer's panel discussion; the theft of a seventeenth-century painting from a lonely Texas convent; the reappearance of a missing constable drawing just where it can cause the most trouble; and other wonderful mysteries. Many of
