as the first collection of essays about oscar wilde's comedies the contributors re evaluate oscar wilde's society plays as comedies of manners to see whether this is actually an apt way to read wilde's most emblematic plays focusing on both the context and the texts the collection locates wilde both in his social and literary contexts

algernon wright the earl of draconhawthshire takes great care to avoid bad luck over the years he's learned to sway good luck in his favor and because of that he's managed to avoid many unlucky incidents the only thing he can't change however is the curse that hovers over his life on his twenty fifth birthday algernon is doomed to die that leaves him only one year to get married so he can pass on his title to an heir ideally the lady he marries will be a spinster who isn't all that interested in marriage but will be happy to be a mother then when he dies early neither one of them will miss each other instead of the old spinster he hopes to find however he comes across miss reina livingstone she is vibrant and full of life she gives him the one thing he lost over the

years hope reina knows algernon believes he's cursed but she doesn't the poor gentleman has lived under the heaviness of sorrow for so long that he hasn't really learned to enjoy life he deserves a love match and she's going to make it her mission to marry him regardless of whether it brings good or bad luck

featuring the entirety of oscar wilde's dramatic works this collection demonstrates the author's wide range unerring wit and unique perspective bringing together wilde's most famous plays including the importance of being earnest an ideal husband and lady windermere's fan along with rare and incomplete dramas like salome and vera this compendium is an important resource for any fan or student of wilde's dramatic works often considered ahead of his time the plays of oscar wilde continue to resonate with modern audiences and many have been adapted for film and television including the 2002 film the importance of being earnest starring judi dench and colin firth harperperennial classics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms look for more titles in the harperperennial classics collection to build your digital library

having surveyed post war british drama in state of the nation michael billington now looks at the global picture in this provocative and challenging new book he offers his highly personal selection of the 100 greatest plays ranging from the greeks to the present day but his book is no mere list billington justifies his choices in extended essays and even occasional dialogues that put the plays in context explain their significance and trace their performance history in the end it's a book that poses an infinite number of questions what makes a great play does the definition change with time and circumstance or are certain common factors visible down the ages it's safe to say that it's a book that in revising the accepted canon is bound to stimulate passionate argument and debate everyone will have strong views on billington's chosen hundred and will be inspired to make their own selections but coming from britain's longest serving theatre critic these essays are the product of a lifetime spent watching and reading plays and record the adventures of a soul amongst masterpieces

this conference proceedings of the national seminar entitled multidisciplinary research and practice compiled by dr m kanika priya records various research papers written by eminent scholars professors and students the articles range from english literature to tamil literature arts humanities social science education performing arts information and communication technology engineering technology and science medicine and pharmaceutical research economics sociology philosophy business management commerce and accounting teacher education higher education primary and secondary education law science mathematics physics chemistry zoology botany agriculture and computer science researchers and faculty members from various disciplines have contributed their research papers this book contains articles in three languages namely english tamil and hindi as a editor dr m kanika priya has taken up the tedious job of checking the validity and correctness of the research work in bringing out this conference proceedings in a beautiful manner in its present shape and size this anthology will hopefully find a place on the library shelves and enlighten the academics all round the world

nine figures and 30 period costumes pay tribute to wilde s comic masterpiece inspired by the cast and plot of the witty spoof this collection of late victorian era fashions features formal and leisure attire

mauricio kagel was undoubtedly one of the major figures in the new music of the last fifty years growing up in the rich cultural atmosphere of buenos aires in the 1940s and 50s where the writer jorge luis borges was one of his teachers he became a member of avant garde circles as well as receiving a rigorous musical education by 1957 kagel had acted on the advice of pierre boulez to move to europe to pursue a career as a composer he quickly established himself at cologne the rallying point for young composers at the time and became one of the leading if controversial figures at the famous darmstadt summer courses he embraced multiple serialism aleatory technique and electronics but he is best known for his pioneering explorations in music theatre radio play film and mixed media bj rn heile charts kagel s compositional development considering the aesthetic and ideological issues the composer raises in his work focusing on kagel s use of music as a means of intellectual inquiry heile shows kagel to constantly question the nature of music and its role in society kagel s broadening of the concept of music to include theatre film and other media his disdain for purism as well as his subversive humour and sense of the absurd have challenged reified notions of music and art heile considers kagel s background as argentine immigrant to europe born to russian jewish immigrants to argentina to situate the composer s aesthetic what emerges is the breadth of kagel s imagination and the multiplicity of contexts he drew from which were both distinctive and in the age of pluralist multiculturalism and globalization exemplary as heile demonstrates it was kagel s enlarged notion of music as inherently multimedial that may be his most important contribution to new music and on which his reputation ultimately rests

in this unique study michael y bennett re reads four influential modern plays alongside their contemporary debates between rationalism and empiricism to show how these monumental achievements were thoroughly a product of their time but also universal in their epistemological quest to understand the world through a rational and or empirical model bennett contends that these plays directly engage in their contemporary epistemological debates rather than through the lens of a specific philosophy besides producing new insightful readings of heavily studied plays the interdisciplinary historical philosophical dramatic theatrical and literary frame bennett constructs allows him to investigate one of the most fundamental questions of the theatre how does meaning get made bennett suggests that the key to unlocking theatrical meaning is exploring the tension between empirical and rational modes of understanding the book concludes with an interview with performance artist coco fusco

understanding plays as texts for performance offers seventeen plays with critical commentaries that span the range of western writing for the theatre from the greeks to the post moderns this book introduces readers to dramatic writing as pre texts for theatrical performance written not only to be read but also to be performed by actors before audiences

lady windermere s fan a woman of no importance an ideal husband salome
