technical services quarterly declared that the third edition must now be considered the essential textbook for collection development and management the first place to go for reliable and informative advice for the fourth edition expert instructor and librarian johnson has revised and freshened this resource to ensure its timeliness and continued excellence each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues thorough consideration is given to traditional management topics such as organization of the collection weeding staffing and policymaking cooperative collection development and management licenses negotiation contracts maintaining productive relationships with vendors and publishers and other important purchasing and budgeting topics important issues such as the ways that changes in information delivery and access technologies continue to reshape the discipline the evolving needs and expectations of library users and new roles for subject specialists all illustrated using updated examples and data and marketing liaison activities and outreach as a comprehensive introduction for lis students a primer for experienced librarians with new collection development and management responsibilities and a handy reference resource for practitioners as they go about their day to day work the value and usefulness of this book remain unequalled

there are dozens of competing firms that offer an e mail based news alert service but how to know which one is best this comprehensive new guide explains how these tools work and then identifies compares and evaluates more than two dozen free inexpensive and fee based alert services it not only helps you pick the right one but also advises how to get the most out of the news alert once you begin the service a detailed appendix also compares specific news source coverage for the major news alert vendors

at the start of the second world war britain was at the height of its imperial power and it is no

surprise that it drew upon the global resources of the empire once war had been declared whilst this international aspect of Britain's war effort has been well studied in relation to the military contribution of individual dominions and colonies relatively little has been written about the empire as a whole as such an imperial world at war makes an important contribution to the historiography relating to the British empire and its wartime experience it argues that the war needs to be viewed in imperial terms that the role of forces drawn from the empire is poorly understood and that the war's impact on colonial societies is barely grasped at all in conventional accounts through a series of case studies the volume demonstrates the fundamental role played by the empire in Britain's war effort and highlights some of the consequences for both Britain and its imperial territories themes include the recruitment and utilization of military formations drawn from imperial territories the experience of British forces stationed overseas the use of strategic bases located in the colonies British policy in the middle east and the challenge posed by growing American power the occupation of enemy colonies and the enemy occupation of British colonies colonial civil defence measures financial support for the war effort supplied by the empire and the commemoration of the war the afterword anticipates a new decentred history of the war that properly acknowledges the role and importance of people and places throughout the colonial and semi colonial world this volume emanates from a conference organized as part of the home fronts of the empire commonwealth project the project was generously funded by the arts and humanities research council and led by Yasmin Khan and Ashley Jackson with Gajendra Singh as postdoctoral research assistant

turn to film film in the business school offers creative and powerful uses of film in the business school classroom and surveys the pedagogical and performative value of watching films with students this volume examines not only how film offers opportunities for learning and investigation but also how they can be sources of ideological poison self delusion and mis representation throughout the text renowned contributors embrace film's power to embark on new adventures of thought by inventing images and signs and by bringing novel concepts and fresh perspectives to the classroom if film often reveals organizational dysfunctionality and absurdity it also teaches us to understand the other to see difference and to accept experimentation a wide spectra of films are examined for their pedagogical value in terms of what can be learned explored and discussed by teaching with film and how film can be used as a tool of research and investigation the book sees film in the classroom as an educational challenge wherein rich learning and personal development are encouraged
