offers a new way of doing ethnography based on an analysis of interaction between immigrants from a small village in slovenia to the u s and the culture they left

from 1941 to 1945 a small number of jews were given the rights of aryan citizens in croatia by the pro nazi utasha regime this study seeks to explain why these exemptions from ustasha racial laws came to be how they were justified by the race theory of the time and how the croats of the mosaic faith were eventually rejected as racial aliens

this is a meticulously researched history of the rule of the axis powers in occupied yugoslavia along with the role of the other groups that collaborated with them notably the extremist croatian nationalist organization known as the ustashas

scholars and practitioners alike agree that somehow the past needs to be addressed in order to enable individuals and collectives to

rebuild trust and relationships however they also continue to struggle with critical questions when is the right moment to address the legacies of the past after violent conflict how can societies address the past without deepening the pain that arises from memories related to the violence and crimes committed in war how can cultures of remembrance be established that would include and acknowledges the victims of all sides involved in violent conflict how can various actors deal constructively with different interpretations of facts and history two decades after the wars societies in bosnia serbia and croatia albeit to different degrees are still facing the legacies of the wars of the 1990s on a daily basis reconciliation between and within these societies remains a formidable challenge given that all three countries are still facing unresolved disputes either at a cross border level or amongst parallel societies that persist at a local community level this book engages scholars and practitioners from the regions of former yugoslavia as well as international experts to reflect on the achievements and obstacles that characterise efforts to deal with the past drawing variously on empirical studies theoretical discussions and practical experience their contributions offer invaluable insights into the complex relationship between transitional justice and conflict transformation

this exhibition brings together a historic group of single channel videos and media installations and over a hundred photomontages

based on extensive research on the ethnolinguistic and racial ideas of leading croatian nationalist intellectuals this book provides a detailed analysis of race theory in one of the third reich s lesser known allied states the independent state of croatia
