anju wants a husband equally important her entire family wants anju to have a husband her life in bombay where a marriage can be arranged in a matter of hours is almost solely devoted to this quest with her anxious mother hauling her from holy site to holy site in order to consult and entreat swamis and astrologers as anju s twenties slip away she s fast becoming a spinster by her culture s standards so she moves to new york city to work in fashion for matrimonial purposes is the hilarious story of anju s journey her quest for love and the choices that she must make while trying to remain true to herself and satisfy her family and tradition

why should we care about marriage there is a lot of confusion about the purpose of marriage todayâ outside the church as well as within it written by a distinguished christian sociologist christian marriage is a theologically rich biblically robust and sociologically informed treatise on the nature and value of marriage drawing on recent social science research empirical data and social history ayers paints a picture of marriage as an institution meant for human flourishing along the way ayers addresses such topics as dating and selection of a spouse the importance of premarital counseling sex and procreation mentoring and supporting unmarried believers divorce and remarriage and current controversies surrounding premarital sex and same sex marriage though the book is academically and theologically informed it is written with a pastoral heart it seeks to provide a rich resource for pastors and counselors on a topic of supreme importance to a vibrant church and society

this ambitious book explores challenges to male hegemony throughout continental europe over the past 250 years for general readers and those interested primarily in the historical record it provides a comprehensive comparative account of feminist developments in european societies as well as a rereading of european history from a feminist perspective by placing gender or relations between women and men at the center of european politics it aims to reconfigure our understanding of the european past and to make visible a long but neglected tradition of feminist thought and politics on another level the book seeks to disentangle some misperceptions and to demystify some confusing contemporary debates about the enlightenment reason nature and public vs private equality vs difference in the process the author aims to show that gender is not merely a useful category of analysis but that sexual difference lies at the heart of human thought and politics

As recognized, adventure as without difficulty as experience practically lesson, amusement, as capably as understanding can be gotten by just checking out a book
