the american design adventure continues the fascinating and detailed examination of industrial design begun by arthur pulos in american design ethic the first volume discussed and illustrated the objects and artifacts the major designers and schools of design from colonial times to the 1940s this second splendidly illustrated volume carries the story into the heroic era of american industrial design from the 1940s to the 1970s these were the decades of american industrial design s dominance when special exhibitions and world fairs made design a subject of national pride big business realized the influence that trademarks packaging and corporate identity programs could have on their bottom line and the world of fashion created a consumer demand for name brands and well designed products industrial design

flourished under the capable hands of raymond loewy and charles eames while corporations like ibm rca herman miller and knoll were sponsors of the great american design adventure the extraordinary collection of illustrations that pulos has assembled documents all of these important design trends while evoking the nostalgia of the 50s and 60s when pop and rock held sway pulos probes all aspects of industrial designers and their work in education and private corporations in professional organizations and governmental agencies he also covers prefabricated housing graphics manufactured products from the exotic to the pragmatic and public systems from the sociopolitical to the economic

this two volume encyclopedia explores representations of people of color in american television it includes overview essays on early classic and contemporary television and the challenges for developments related to and participation of minorities on and behind the screen covering five decades this encyclopedia highlights how race has shaped television and how television has shaped society offering critical analysis of moments and themes throughout television history race in american television shines a spotlight on key artists of color prominent shows and the debates that have defined television since the civil rights movement this book also examines the ways in which television has been a site for both reproduction of stereotypes and resistance to them providing a basis for discussion about racial issues in the united states this set provides a significant resource for students and fans of television alike not only educating but also empowering readers with the necessary tools to consume and watch the small screen and explore its impact on the evolution of racial and ethnic stereotypes in u s culture and beyond understanding the history of american television contributes to deeper knowledge and potentially helps us to better apprehend the plethora of diverse shows and programs on netflix hulu youtube and other platforms today

a way out the hidden fortune of service personal setbacks professional challenges company obstacles national dilemmas they happen to everyone and have occurred in every generation throughout time sometimes they are the result of our choices but a great many times our situation is the result of things outside of our control the year 2020 2021 is a good example a way out the hidden fortune of service written by an executive and consultant to fortune 1000 companies details the mindset and practices of the richest individuals businesses and nations in the world it takes the reader on a journey into the central driver of wealth and provides the science and techniques to harness it for personal and professional success in any circumstance the book gives an inside view of ordinary people who have lifted themselves out of challenging circumstances to achieve extraordinary things key topics covered in the book insight into the mindset and practices of richest individuals businesses and nations details of the financial emotional and health benefits of service and the
