spiritual writer theologian and philosopher jesuit fr robert spitzer tackles the topic of recognizing and overcoming spiritual evil his focus is the human heart his goal our moral and spiritual transformation which

leads to true peace and genuine happiness the book is divided into two main parts the realities of god s goodness and of spiritual evil and recognizing and overcoming diabolical tactics which range from temptation and deception to the deadly sins father spitzer shows readers how to experience god s peace even during times of suffering and persecution he examines the basics of the spiritual life and christian mysticism including the contemplative dimension he explains the purgative illuminative and unitive aspects of spirituality as well as the lord s consolation and the passive dark night of the spirit father spitzer provides the biblical and theological background of jesus victory over satan the author also explores the reality of the devil including extraordinary manifestations of diabolic activity such as possession he recalls the true story of the famous possession case on which the novel and film the exorcist were based in the final sections of the book the author explains how diabolical spiritual forces operate how temptation works and what to do to defeat it the deadly sins and how to overcome them

only five days ago i lost all sense of peace and safety when the people in my small quiet mountain town came under attack the invaders broke down our doors and dragged us out of our homes they imprisoned us for being haters if it wasn t for our watchmen all 600 of us who were taken would have been transported to a secret site and held until we surrendered our beliefs i am sorry to report the enemy killed three of us during the resistance i would like to believe it s over and my life will return to normal it s wishful thinking our leaders are certain the enemy will not take their defeat as the final outcome i know they re right it isn t over yet

presents literary criticism on writers and illustrators for children and young adults critical essays are selected from leading sources including published journals magazines books monographs reviews and scholarly papers
