a sweeping history of emotional life that explores how dear john letters became a rite of passage for american servicemen

chart your progress organize your library and get inspired with this journal for avid readers from mental floss having trouble keeping track

of the books in your life ever buy a book you've already read or recommend one book when you meant another the curious reader journal for book lovers helps organize bulging bookshelves provides space to record and rate titles and helps you reflect on past favorites the mental floss team also entertains and inspires bibliophiles with prize winning book lists quotes about writing and reading and the tomes famous authors admire along with guided entries such as my favorite books this year titles ideal for a book club literary places i'd like to visit books i loved as a child who i'd invite to a literary dinner party books i hate that everyone loves and the most romantic book i've read the curious reader journal for book lovers is a perfect gift for goodreads addicts book club members librarians and teachers and all lovers of literature

john wesley powell's 1869 expedition down the green and colorado rivers and through the grand canyon continues to be one of the most celebrated adventures in american history ranking with the lewis and clark expedition and the apollo landings on the moon for nearly twenty years lago has researched the powell expedition from new angles traveled to thirteen states and looked into archives and other sources no one else has searched he has come up with many important new documents that change and expand our basic understanding of the expedition by looking into powell's crewmembers some of whom have been almost entirely ignored by powell historians historians tended to assume that powell was the whole story and that his crewmembers were irrelevant more seriously because several crew members made critical comments about powell and his leadership historians who admired powell were eager to ignore and discredit them lago offers a feast of new and important material about the river trip and it will significantly rewrite the story of powell's famous expedition this book is not only a major work on the powell expedition but on the history of american exploration of the west

historically segregation and social isolation have been recurring responses to people considered defective or deficient in some way and it is in the midst of such a society that special educator j david smith wrote this book which presents critical historical and contemporary issues in mental retardation told through gripping vignettes and interwoven with the story of the life of john lovelace a man labeled mentally retarded as a child then institutionalized and sterilized this gripping text will make all readers reconsider not only our social policies and practices but also our personal actions in relation to people with mental retardation topics covered here include an examination of ways people have been misidentified as having disabilities then needlessly warehoused in institutions coupled with the tragic story of john lovelace this book is one that will be long remembered by its readers and will ideally spur them to action this book offers new directions for the field of mental retardation including conceptual and terminology changes regarding intellectual disabilities

and new thinking about the people whose lives have been altered by the term and the concept insights from parents friends teachers and varied special education experts are included as is the strong view of author smith who befriended lovelace he was often ignored regularly avoided and treated as less than a person as invisible explains smith and lovelace is the metaphorical island to which each chapter here returns a vivid example of the denial of freedom and dignity to people who bear an intellectually inferior label in the end we see how society can promote values that inspire and challenge us to create humane and just treatment for all or we can just look the other way when facing disturbing human needs

rollicking bawdy people superbly controlled satire washington post joyously madcap publishers weekly discover the bestselling novel that inspired the classic oscar winning film it's forrest gump as you've never seen him before but just as lovable as ever at 6'6 240 pounds forrest gump is a difficult man to ignore so follow forrest from the football dynasties of bear bryant to the vietnam war from encounters with presidents johnson and nixon to powwows with chairman mao go with forrest to harvard university to a hollywood movie set on a professional wrestling tour and into space on the oddest nasa mission ever the wonderfully warm savagely barbed and hilariously funny novel that inspired iconic film starring tom hanks what readers are saying a brilliant read loved the book just as much as i loved the film very well written and thoroughly enjoyable from start to finish

the congressional record is the official record of the proceedings and debates of the united states congress it is published daily when congress is in session the congressional record began publication in 1873 debates for sessions prior to 1873 are recorded in the debates and proceedings in the congress of the united states 1789 1824 the register of debates in congress 1824 1837 and the congressional globe 1833 1873

includes entries for maps and atlases

making extensive use of materials both contemporary and modern including letters diaries memoirs and histories the author presents a detailed narrative of the locales conditions personnel strategies tactics battles and skirmishes as sherman's forces fought their way from chattanooga to atlanta and then made their famous march to the sea destroying all resources along the way provided by publisher
