this book discusses a series of related but independent challenges faced by philanthropic foundations drawing on international contemporary and historical data throughout the world private philanthropic foundations spend huge sums of money for public good while the media policy makers and the public have little understanding of what they do and why diana leat considers the following questions are philanthropic foundations more than warehouses of wealth where does foundation money come from and is there a tension between a foundation s ongoing sources of income and its pursuit of public good how are foundations regulated and held accountable in society is there any evidence that foundations are effective in what they do is it possible to have too much philanthropy

in posing these questions the book explores some of the key tensions in how foundations work and their place in democratic societies financial planning has been thoroughly revised to reflect the legislative and regulatory changes that affect the australian financial planning industry this new edition considers a number of reforms introduced as a consequence of the global financial crisis and the henry review on taxation reform the text continues to present a comprehensive introduction to financial planning decisions services and products risk management and the importance of long term strategic financial planning and life long management the text is the new edition of what was previously titled personal finance which has been a market leading textbook in the area of financial planning for 10 years as more and more australians look to financial planners for information and guidance on investment opportunities and short term and long term financial planning goals this new edition reflects the financial planning industry need to ensure that its members are accredited and comply with industry recognised professional and ethical skills

the second edition of vocational training and assessment addresses all of the requirements for successful completion of the certificate iv in training and assessment with each chapter aligned to the training package competencies all core units and a range of popular electives are covered key features content is clearly mapped to units of the training package assessment tasks are mapped to elements and performance criteria case studies instructor resources blended learning or digital only options available
