what or where is the place of faith is it a physical location no it is where we are when we step out into the unknown in blind yet obedient faith because that is all that is we have left our christian vocabulary is filled with ideas quotes and even promises from god that are meant for our comfort and reassurance as real as god s word is what happens when all has been recalled and rehearsed and we still find ourselves alone at the place of faith

in my years in the prayer ministry i have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help thus in many instances the object of prayer praying to god has shifted from god to faith in men who promote prayer through wealth and healing ministries these men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and god to receive answers to their prayers their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them the power and true benefits are now shifting to false miracle working prayers of course there is a place fro and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to god to experience his blessing the single most important requirement of

prayer is faith in god when personal faith in god is absent prayer dies and the experience of the power and blessings from prayer are lost faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please god and eventually be rewarded by him the purpose of this book the prayer of faith praying with hope is to help everyone who prays to understand that prayer is first building a relationship with god through jesus and not just to receive or see miracles it explains that anyone who exercised faith in jesus can literally move the mountains in their lives if they prayed and prayed the right way faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer faith is therefore mandatory for those who approach god faith is never easy it wasn't meant to be so but the more convinced we are of the reality of an all good all loving all powerful god the more our trust will grow and the less we will be overwhelmed by doubts and temptations how strong is your faith as thou has believed so be it done unto thee discover the secret the power and joy of praying by faith to move your mountains as you read on

hans joachim iwand's 1941 monograph the righteousness of faith according to luther is an important contribution to contemporary appreciation of luther's theological significance for today although iwand wrote his study three decades after the beginning of the luther renaissance it nevertheless developed some of the central insights of luther scholarship during that period two concepts in particular promise and simultaneity are crucial to an appreciative understanding of luther's doctrine of justification the language of promise presents justification to the believer as a reality that has yet to arrive or is hidden under present reality and the language of simultaneity attests that humans remain throughout their lives one in the same sinner and saint this beautiful translation by randi h lundell makes iwand's down to earth presentation of the doctrine at the heart of luther's theology at long last available to english language readers
