with characteristic warmth and humour ralph milton retells bible stories in an engaging contemporary way for kids and adults the family story bible meets the expectations of today s values oriented parents by using inclusive language for god and including stories of both men and women in the bible readers will find old favourite stories and they will discover stories often overlooked in children s bibles such as the stories of the prophets wisdom literature and the letters of the early church a delight to read and hear margaret kyle s illustrations brim with energy curiosity and joy capturing in full colour the setting and the spirit of the stories

not since the three bears has there been a children s story about the family of three or the only child this interactive book is designed for all families to enjoy

every family has stories worth preserving what if you could capture them in a quilt that speaks volumes without saying a word quilts have always been more than fabric and thread they re visual narratives passed down through generations now you can learn to design and create meaningful memory quilts that tell your unique story even if you ve never touched a sewing machine

this edited book draws from work that focuses on the act of telling family stories as well as their content and structure the process of telling family stories is linked to central aspects of development including language acquisition affect regulation and family interaction patterns this book extends across traditional developmental psychology personality theory and family studies drawing broadly on the epigenetic framework for individual development articulated by erik erikson as well as on conceptions of the family life cycle the editors bring together contemporary examples of psychological research on family stories and their implications for development and change at different points in the life course the book is divided into sections that focus on family stories at different points in the life cycle from early childhood and the beginnings of narrative skill through adolescence young adulthood midlife and then mature adulthood and its intergenerational meaning during each of these periods of the life cycle research focusing on individual development within an eriksonian framework of ego strengths and

virtues is highlighted the dynamic role of family stories is also featured here with work exploring the links between family process intergenerational attachment and storytelling sociocultural theories that emphasize how such development is situated in the wider cultural context are also featured in several chapters this broad lifespan developmental focus serves to integrate the exciting diversity of this work and foster further questions and research in the emerging field of family narrative the book is intended primarily for researchers and advanced level students in the fields of developmental and personality psychology as well as those in family studies and in gerontology it may also be of interest to those in the helping professions who are concerned with family therapy and family issues and may due to its content and illustrative material have appeal to a wider market of the lay public the chapters are written in a readily accessible style and the analyses are presented in a fairly non technical way because family stories are charted across the lifespan it would be a suitable companion book to a more traditional lifespan textbook in certain courses

when a newborn is admitted to the neonatal intensive care unit nicu it can be frightening and overwhelming edited by two top nicu doctors and a veteran nicu nurse this guide will support parents through their baby s time in the nicu helping them communicate with members of the nicu team ask the right questions and participate as valuable partners in their baby s care understanding the nicu addresses such topics as common nicu equipment and tests common medical problems for babies in the nicu special health issues for preterm newborns feeding and parenting in the nicu and heading home from the nicu this updated and fully revised edition also features new inspirational stories from parents of hospitalized newborns bringing comfort and hope

the fourth edition of working with families presents an innovative model for choosing specific intervention methods that meet the discriminate level of need of a particular family thomas p holland has been added as a second author to help update and maintain the most current text possible
