for we do not wrestle against flesh and blood but against the rulers against the authorities against the cosmic powers over this present darkness against the spiritual forces of evil in the heavenly places ephesians 6 12 after the film in her camera is mysteriously destroyed at a small town festival reporter bernice kreuger knows she's found something worth covering up she brings the investigation to her boss marshall hogan along with the local pastor of a struggling church hank busch they find something much bigger than they expected a demonic plot to enslave their town and eventually the world the tiny college town of ashton becomes the unlikely battleground in a cosmic clash between good and evil unseen by the human protagonists armies of angels and demons

wage war against one another in the spiritual realm for the souls of the people of ashton up against supernatural forces the future of the town seems bleak but the power of prayer might be able to influence the outcome of the fight this fast paced thriller birthed an entirely new genre setting the standard for spiritual suspense it has since sold over 2 million copies worldwide sparking a renewed interest in the concept of spiritual warfare

christian popular culture has tremendous influence on many american churchgoers when we have a choice between studying the bible and reading novels downloading movies or watching television we become less familiar with numbers than with narnia this book examines popular christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular netflix series or dystopian novel while most scholars focus on the religious aspects of christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal america close readings of six case studies the chronicles of narnia francine rivers s redeeming love jan karon s mitford novels left behind the films of the sherwood baptist church and duck dynasty uncover both harmful stereotypes and christians serving as leaders in social justice

is it possible for conservative protestant groups to survive in secular institutional settings here bramadat offers an ethnographic study of the inter varsity christian fellowship ivcf at mcmaster university a group that espouses fundamentalist interpretations of the bible women s roles the age of the earth alcohol consumption and sexual ethics in examining this group bramadat demonstrates how this tiny minority thrives within the overwhelmingly secular context of the university

the story of five best selling novels beloved by evangelicals the book industry they built and the collective imagination they shaped who are evangelicals and what is evangelicalism those attempting to answer these questions usually speak in terms of political and theological stances but those stances emerge from an evangelical world with its own institutions institutions that shape imagination as much as they shape ideology in this unique exploration of evangelical subculture daniel silliman shows readers how christian fiction and the empire of christian publishing and bookselling it helped build is key to understanding the formation of evangelical identity with a close look at five best selling novels love comes softly this present darkness left behind the shunning and the shack silliman considers what it was in these books that held such appeal and what effect their widespread popularity had on the evangelical imagination reading evangelicals ultimately makes the case that the worlds created in these novels reflected and

shaped the world evangelicals saw themselves living in one in which romantic love intertwines with divine love humans play an active role in the cosmic contest between angels and demons and the material world is infused with the literal workings of god and satan silliman tells the story of how the christian publishing industry marketed these ideas as much as they marketed books and how during the era of the christian bookstore this every bit as much as politics or theology became a locus of evangelical identity

how do you decide what to read dan gibson jordan green and john pattison have created this tool to make your choices easier besides the bible is a guide to the wide array of great books that they believe every christian should read the ones that matter to the church and the world

how will the world end doomsday ideas in western history have been both persistent and adaptable peaking at various times including in modern america public opinion polls indicate that a substantial number of americans look for the return of christ or some catastrophic event the views expressed in these polls have been reinforced by the market process whether through purchasing paperbacks or watching television programs millions of americans have expressed an interest in end time events americans have a tremendous appetite for prophecy more than nearly any other people in the modern world why do americans love doomsday in apocalyptic fever richard kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas yet while several chapters are devoted to this topic this book covers much more it surveys end time views in modern america from a wide range of perspectives dispensationalism catholicism science fringe religions the occult fiction the year 2000 islam politics the mayan calendar and more

in the public imagination satanism is associated with bizarre rituals perverse hedonistic lifestyles heavy metal music immature adolescents acting out horror movies and rumors of ritual abuse but what are the facts behind the urban legends and the moral panics that periodically sweep the country regarding this countercultural phenomenon this authoritative reference work gathers together scholarly studies of satanism and original source material focusing on two major aspects organized religious satanism and the satanic ritual abuse hoax that was prevalent in the 1980s and early 1990s the contributors first examine modern satanism a decentralized movement whose only coherence is based on certain themes that date back to the writings of anton szandor lavey especially his satanic bible among other factors the authors discuss how the emergence of the internet as a form of communication has created some coherence among disparate groups through cross reference many articles are devoted to the satanic ritual abuse

scare an erroneous belief in a vast underground network of satanists who were abusing children for years members of the law enforcement community and numerous therapists encouraged by the hype of mass media bought into this panic other topics include the role of the media in the perceptions of satanism and satanic ritual abuse juvenile delinquency and satanism and police pursuit of satanic crime the volume concludes with primary source material including a report from the ritual abuse task force and selections from current satanism groups this objective reference work will be useful for professionals in many fields and members of the public interested in sorting out the facts from the myths surrounding this controversial subculture

over the past twenty years renewed interest in karl barth has made him a major voice in contemporary systematic theological circles once again this work explores the substantial convergences and divergences between barth s theology and the historic evangelical faith it will appeal to evangelical readers interested in reassessing the influence and impact of barth s theology contributors include kevin j vanhoozer alister e mcgrath timothy george gabriel fackre stanley grenz and henri blocher

this work considers ways in which american cultural products such as tv advertising music and video games have played a significant role in creating representing and influencing contradictory religious identities
