mary wollstonecraft shelley godwin 30 august 1797 1 february 1851 was an english novelist who wrote the gothic novel frankenstein or the modern prometheus 1818 which is considered an early example of science fiction she also edited and promoted the works of her husband the romantic poet and philosopher percy bysshe shelley her father was the political philosopher william godwin and her mother was the philosopher and feminist activist mary wollstonecraft shelley s mother died less than a month after giving birth to her she was raised by her father who provided her with a rich if informal education encouraging her to adhere to his own anarchist political theories when she was four her father married a neighbor mary jane clairmont with whom shelley came to have a troubled relationship in 1814 shelley began a romance

with one of her father's political followers Percy Bysshe Shelley who was already married together with her stepsister Claire Clairmont she and Percy left for France and travelled through Europe upon their return to England Shelley was pregnant with Percy's child over the next two years she and Percy faced ostracism constant debt and the death of their prematurely born daughter they married in late 1816 after the suicide of Percy Shelley's first wife Harriet in 1816 the couple and her stepsister famously spent a summer with Lord Byron and John William Polidori near Geneva Switzerland where Shelley conceived the idea for her novel *Frankenstein* the Shelleys left Britain in 1818 for Italy where their second and third children died before Shelley gave birth to her last and only surviving child Percy Florence Shelley in 1822 her husband drowned when his sailing boat sank during a storm near Viareggio a year later Shelley returned to England and from then on devoted herself to the upbringing of her son and a career as a professional author the last decade of her life was dogged by illness most likely caused by the brain tumor which killed her at age 53 until the 1970s Shelley was known mainly for her efforts to publish her husband's works and for her novel *Frankenstein* which remains widely read and has inspired many theatrical and film adaptations recent scholarship has yielded a more comprehensive view of Shelley's achievements scholars have shown increasing interest in her literary output particularly in her novels which include the historical novels *Valperga* 1823 and *Perkin Warbeck* 1830 the apocalyptic novel *The Last Man* 1826 and her final two novels *Lodore* 1835 and *Falkner* 1837 studies of her lesser known works such as the travel book *Rambles in Germany and Italy* 1844 and the biographical articles for Dionysius Lardner's *Cabinet Cyclopaedia* 1829 1846 support the growing view that Shelley remained a political radical throughout her life Shelley's works often argue that cooperation and sympathy particularly as practiced by women in the family were the ways to reform civil society this view was a direct challenge to the individualistic romantic ethos promoted by Percy Shelley and the enlightenment political theories articulated by her father William Godwin

the definitive annotated edition of Mary Shelley's classic novel

Frankenstein an instant bestseller and an important ancestor of both the horror and science fiction genres not only tells a terrifying story but also raises profound disturbing questions about the very nature of life and the place of humankind within the cosmos what does it mean to be human what responsibilities do we have to each other how far can we go in tampering with nature in our age filled with news of organ donation genetic engineering and bio terrorism these questions are more relevant than ever

everything about Mary Shelley's *Frankenstein* is remarkable Sidney Perkowitz's review of the book *Frankenstein or the Modern Prometheus* is a novel written by English author Mary Shelley 1797 1851 that tells the story of Victor Frankenstein a young scientist who creates a hideous sapient creature in an unorthodox scientific experiment *Frankenstein* is infused with elements of the gothic novel and the romantic movement Brian Aldiss has argued that it should be considered the first true science fiction story because in contrast to previous stories with fantastical elements resembling those of later science fiction the central character makes a deliberate decision and turns to modern experiments in the laboratory to achieve fantastic results it has had a considerable influence in literature and popular culture and spawned a complete genre of horror

stories films and plays a true classic that belongs on every bookshelf

frankenstein tells the story of committed science student victor frankenstein obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter frankenstein assembles a human being from stolen body parts but upon bringing it to life he recoils in horror at the creature s hideousness tormented by isolation and loneliness the once innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator frankenstein frankenstein an instant bestseller and an important ancestor of both the horror and science fiction genres not only tells a terrifying story but also raises profound disturbing questions about the very nature of life and the place of humankind within the cosmos what does it mean to be human what responsibilities do we have to each other how far can we go in tampering with nature in our age filled with news of organ donation genetic engineering and bio terrorism these questions are more relevant than ever

mary shelley began writing frankenstein when she was only eighteen at once a gothic thriller a passionate romance and a cautionary tale about the dangers of science frankenstein tells the story of committed science student victor frankenstein obsessed with discovering the cause of generation and life and bestowing animation upon lifeless matter frankenstein assembles a human being from stolen body parts but upon bringing it to life he recoils in horror at the creature s hideousness tormented by isolation and loneliness the once innocent creature turns to evil and unleashes a campaign of murderous revenge against his creator frankenstein

frankenstein or the modern prometheus is a novel written by english author mary shelley about eccentric scientist victor frankenstein who creates a grotesque creature in an unorthodox scientific experiment shelley started writing the story when she was eighteen and the novel was published when she was twenty the first edition was published anonymously in london in 1818 shelley s name appears on the second edition published in france in 1823 shelley had travelled through europe in 1814 journeying along the river rhine in germany with a stop in gernsheim which is just 17 km 10 mi away from frankenstein castle where two centuries before an alchemist was engaged in experiments later she traveled in the region of geneva switzerland where much of the story takes place and the topics of galvanism and other similar occult ideas were themes of conversation among her companions particularly her lover and future husband percy shelley mary percy lord byron and john polidori decided to have a competition to see who could write the best horror story after thinking for days shelley dreamt about a scientist who created life and was horrified by what he had made her dream later evolved into the story within the novel frankenstein is infused with elements of the gothic novel and the romantic movement and is also considered to be one of the earliest examples of science fiction brian aldiss has argued that it should be considered the first true science fiction story because unlike in previous stories with

fantastical elements resembling those of later science fiction the central character makes a deliberate decision and turns to modern experiments in the laboratory to achieve fantastic results it has had a considerable influence across literature and popular culture and spawned a complete genre of horror stories films and plays since publication of the novel the name frankenstein is often used to refer to the monster itself as is done in the stage adaptation by peggy webling this usage is sometimes considered erroneous but usage commentators regard the monster sense of frankenstein as well established and an acceptable usage in the novel the monster is identified via words such as creature monster fiend wretch vile insect daemon being and it speaking to victor frankenstein the monster refers to himself as the adam of your labours and elsewhere as someone who would have been your adam but is instead your fallen angel

the heir of mondolfo by mary shelley the heir of mondolfo by mary shelley the heir of mondolfo was written in the year 1877 by mary shelley this book is one of the most popular novels of mary shelley and has been translated into several other languages around the world we are delighted to publish this classic book as part of our extensive classic library collection many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public the aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades the contents of the vast majority of titles in the classic library have been scanned from the original works to ensure a high quality product each title has been meticulously hand curated by our staff our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work we hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

from the introduction it is customary to regard mary shelley s claims to literary distinction as so entirely rooted and grounded in her husband s as to constitute a merely parasitic growth upon his fame it may be unreservedly admitted that her association with shelley and her care of his writings and memory after his death are the strongest of her titles to remembrance it is further undeniable that the most original of her works is also that which betrays the strongest traces of his influence frankenstein was written when her brain magnetized by his companionship was capable of an effort never to be repeated but if the frame of mind which engendered and sustained the work was created by shelley the conception was not his and the diction is dissimilar to his both derive from godwin but neither is godwin s the same observation except for an occasional phrase caught from shelley applies to all her subsequent work the frequent exaltation of spirit the ideality and romance may well have been shelley s the general style of execution neither repeats nor resembles him mary shelley s voice then is not to die away as a mere echo of her illustrious husband s she has the prima facie claim to a hearing due to every writer who can assert the possession of a distinctive individuality and if originality be once conceded to frankenstein as in all equity it must none will dispute the validity of a title to fame grounded on such a work it has solved the question itself it is famous it is full of faults venial in an author of nineteen but apart from the wild grandeur of the conception it has that which even the maturity of mere talent never attains the insight of genius

which looks below the appearances of things and perhaps even reverses its own first conception by the discovery of some underlying truth mary shelley s original intention was probably that which would alone have occurred to most writers in her place she meant to paint frankenstein s monstrous creation as an object of unmitigated horror the perception that he was an object of intense compassion as well imparted a moral value to what otherwise would have remained a daring flight of imagination it has done more it has helped to create if it did not itself beget a type of personage unknown to ancient fiction the conception of a character at once justly execrable and truly pitiable is altogether modern richard the third and caliban make some approach towards it but the former is too self sufficing in his valour and his villainy to be deeply pitied and the latter too senseless and brutal victor hugo has made himself the laureate of pathetic deformity but much of his work is a conscious or unconscious variation on the original theme of frankenstein none of mary shelley s subsequent romances approached frankenstein in power and popularity the reason may be summed up in a word languor after the death of her infant son in 1819 she could never again command the energy which had carried her so vigorously through frankenstein except in one instance her work did not really interest her her heart is not in it valperga contains many passages of exquisite beauty but it was as the authoress herself says a child of mighty slow growth laboriously dug shelley adds out of a hundred old chronicles and wants the fire of imagination which alone could have interpenetrated the mass and fused its diverse ingredients into a satisfying whole of the later novels the last man excepted it is needless to speak save for the autobiographic interest with which professor dowden s fortunate discovery has informed the hitherto slighted pages of lodore but the last man demands great attention for it is not only a work of far higher merit than commonly admitted but of all her works the most characteristic of the authoress

this is the original 1818 text of frankenstein in 1831 the more traditionally first popular edition in one volume appeared this version of the story was heavily revised by mary shelley who was under pressure to make the story more conservative and included a new longer preface by her presenting a somewhat embellished version of the genesis of the story this edition tends to be the one most widely read now but many scholars prefer the 1818 text arguing that it preserves the spirit of shelley s original publication

winner of the prize for independent scholars from the modern language association notable book of the year from the new york times daughter of pioneer feminist mary wollstonecraft and radical philosopher william godwin lover and wife of percy bysshe shelley author of frankenstein and creator of the science fiction genre mary shelley has remained a figure both undervalued and enigmatic in this authoritative ground breaking biography she is finally restored to her rightful stature as one of the major figures in english literary history here for the first time is a full account of mary shelley s career significant areas of which have never before been examined her precocious childhood her adolescent liaison with the radical poet shelley her creation of frankenstein at the age of nineteen her tempestuous but brilliant married years with shelley and of particular note the dramatic second half of her life after shelley s death emily sunstein has also discovered previously unknown works written by mary shelley and traces the development of her unjustly clouded posthumous reputation

frankenstein an instant bestseller and an important ancestor of both the horror and science fiction genres not only tells a terrifying story but also raises profound disturbing questions about the very nature of life and the place of humankind within the cosmos what does it mean to be human what responsibilities do we have to each other how far can we go in tampering with nature in our age filled with news of organ donation genetic engineering and bio terrorism these questions are more relevant than ever

Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.

7. Frankenstein By Mary Shelley Original Classic Illustrated is one of the best book in our library for free trial. We provide copy of Frankenstein By Mary Shelley Original Classic Illustrated in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Frankenstein By Mary Shelley Original Classic Illustrated.
8. Where to download Frankenstein By Mary Shelley Original Classic Illustrated online for free? Are you looking for Frankenstein By Mary Shelley Original Classic Illustrated PDF? This is definitely going to save you time and cash in something you should think about.

Introduction

The digital age has revolutionized the way we read, making books more accessible than ever. With the rise of ebooks, readers can now carry entire libraries in their pockets. Among the various sources for ebooks, free ebook sites have emerged as a popular choice. These sites offer a treasure trove of knowledge and entertainment without the cost. But what makes these sites so valuable, and where can you find the best ones? Let's dive into the world of free ebook sites.

Benefits of Free Ebook Sites

When it comes to reading, free ebook sites offer numerous advantages.

Cost Savings

First and foremost, they save you money. Buying books can be expensive, especially if you're an avid reader. Free ebook sites allow you to access a vast array of books

without spending a dime.

Accessibility

These sites also enhance accessibility. Whether you're at home, on the go, or halfway around the world, you can access your favorite titles anytime, anywhere, provided you have an internet connection.

Variety of Choices

Moreover, the variety of choices available is astounding. From classic literature to contemporary novels, academic texts to children's books, free ebook sites cover all genres and interests.

Top Free Ebook Sites

There are countless free ebook sites, but a few stand out for their quality and range of offerings.

Project Gutenberg

Project Gutenberg is a pioneer in offering free ebooks. With over 60,000 titles, this site provides a wealth of classic literature in the public domain.

Open Library

Open Library aims to have a webpage for every book ever published. It offers millions of free ebooks, making it a fantastic resource for readers.

Google Books

Google Books allows users to search and preview millions of books from libraries and publishers worldwide. While not all books are available for free, many are.

ManyBooks

ManyBooks offers a large selection of free ebooks in various genres. The site is user-friendly and offers books in multiple

formats.

BookBoon

BookBoon specializes in free textbooks and business books, making it an excellent resource for students and professionals.

How to Download Ebooks Safely

Downloading ebooks safely is crucial to avoid pirated content and protect your devices.

Avoiding Pirated Content

Stick to reputable sites to ensure you're not downloading pirated content. Pirated ebooks not only harm authors and publishers but can also pose security risks.

Ensuring Device Safety

Always use antivirus software and keep your devices updated to protect against malware that can be hidden in downloaded files.

Legal Considerations

Be aware of the legal considerations when downloading ebooks. Ensure the site has the right to distribute the book and that you're not violating copyright laws.

Using Free Ebook Sites for Education

Free ebook sites are invaluable for educational purposes.

Academic Resources

Sites like Project Gutenberg and Open Library offer numerous academic resources, including textbooks and scholarly articles.

Learning New Skills

You can also find books on various skills, from cooking to programming, making these sites great for personal development.

Supporting Homeschooling

For homeschooling parents, free ebook sites provide a wealth of educational materials for different grade levels and subjects.

Genres Available on Free Ebook Sites

The diversity of genres available on free ebook sites ensures there's something for everyone.

Fiction

From timeless classics to contemporary bestsellers, the fiction section is brimming with options.

Non-Fiction

Non-fiction enthusiasts can find biographies, self-help books, historical texts, and more.

Textbooks

Students can access textbooks on a wide range of subjects, helping reduce the financial burden of education.

Children's Books

Parents and teachers can find a plethora of children's books, from picture books to young adult novels.

Accessibility Features of Ebook Sites

Ebook sites often come with features that enhance accessibility.

Audiobook Options

Many sites offer audiobooks, which are great for those who prefer listening to reading.

Adjustable Font Sizes

You can adjust the font size to suit your reading comfort, making it easier for those with visual impairments.

Text-to-Speech Capabilities

Text-to-speech features can convert written text into audio, providing an alternative way to enjoy books.

Tips for Maximizing Your Ebook Experience

To make the most out of your ebook reading experience, consider these tips.

Choosing the Right Device

Whether it's a tablet, an e-reader, or a smartphone, choose a device that offers a comfortable reading experience for you.

Organizing Your Ebook Library

Use tools and apps to organize your ebook collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an

increasingly vital role in learning.

Conclusion

In summary, free ebook sites offer an incredible opportunity to access a wide range of books without the financial burden. They are invaluable resources for readers of all ages and interests, providing educational materials, entertainment, and accessibility features. So why not explore these sites and discover the wealth of knowledge they offer?

FAQs

Are free ebook sites legal? Yes, most free ebook sites are legal. They typically offer books that are in the public domain or have the rights to distribute them. How do I know if an ebook site is safe? Stick to well-known and reputable sites like Project Gutenberg, Open Library, and Google Books. Check reviews and ensure the site has proper security measures. Can I download ebooks to any device? Most free ebook sites offer downloads in multiple formats, making them compatible with various devices like e-readers, tablets, and smartphones. Do free ebook sites offer audiobooks? Many free ebook sites offer audiobooks, which are perfect for those who prefer listening to their books. How can I support authors if I use free ebook sites? You can support authors by purchasing their books when possible, leaving reviews, and sharing their work with others.
