slavery and the making of america offers a richly illustrated vividly written history that illuminates the human side of slavery presenting it largely through stories of the slaves themselves readers will discover a wide ranging and sharply nuanced look at american slavery from the first africans brought to british colonies in the early seventeenth century to the end of reconstruction the authors document the horrors of slavery particularly in the deep south and describe the valiant struggles to escape bondage from dramatic tales of slaves such as william and ellen craft to dred scott s doomed attempt to win his freedom through the supreme court

a well illustrated account that deals with slavery from ancient times through the 19th century

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
