a field tested guide to the management and finance of church congregations revised for a new generation clergy are generally equipped to preach and provide spiritual care but when it comes to budgets insurance fire safety and church management many find themselves at a loss the church administration and finance manual is the classic guide to running a church written to answer key questions for clergy and lay leaders not simply a theoretical resource the manual provides suggestions for almost every aspect of parish administration position descriptions financial forms materials for stewardship and christian education building use and safety issues employee record keeping and much more this revised edition offers guidance on many new topics that are of vital importance to churches including protecting children information security approaches to preventing and responding to violence planned giving social media and hybrid work and worship whether clergy are just out of seminary or well seasoned in parish life the manual is full of excellent guidelines tools and forms for improving the management of the parish

our attorneys at the christian law association have developed a sample security manual for churches so that they may focus their efforts on evangelism and ministry rather than the dangers of violence that some have unfortunately had to experience some of the mainstays in our sample security manual include the following important details security personnel duties evacuation procedures fire and explosion procedures severe weather procedures dangerous and unruly persons procedures lockdown procedures procedure for determining when to use force vehicle accident procedures and many more we have found that many churches have procedures that are primarily word of mouth and usually start with if this happens you do this these lack the importance of having it written and settled so that anyone in that position may understand it fully procedures that no one knows or has available to them are not helpful at all in fact much harm can come from events that occur and are followed by the phrase but i thought that s what you wanted me to do having a set standard allows the church leadership to maintain order and protect the ministry better should something happen having

a security procedure in place will enable your ministry to act efficiently and lower the liability risk should some event take place on the campus without a plan in place during the course of a service any number of unforeseen circumstances are possible and the best way to approach these situations is by preparation ahead of time by having procedures about handling these situations at the ready you may not only save your ministry from damage you might save your people from a tragedy publisher

the church security handbook because it can happen here attacks on churches are on the rise yet the temptation is to think that it can't or won't happen in our city or congregation the church security handbook takes a practical biblical approach to answering critical questions about security including what are the odds of an attack on my church does church security indicate a lack of faith in god how can we have a security team without a fortress mentality does a security team have to be armed how do we select and train our team the church security handbook is written by the experienced real world professionals at strategos international strategosintl.com

a user friendly and comprehensive guide to the role of the church or charity treasurer essential for all carrying out this increasingly demanding role now updated to include the latest rules on accounting gift aid tax charity law pensions insurance employment fundraising and more
