responsible manner

this is a memoir a package of boasts false modesty flawed memories dropped names outright errors and embarrassing disclosures that i think are pretty neat but may appall you if you re squeamish or have an orderly turn of mind robert nylen the thing is robert nylen should have died several times in 1968 he was a goner in 2006 and 2007 as well and yet he survived through a combination of dumb luck and sheer perseverance of course as you read these words he s already bit the dust but let s not dwell on that a self confessed reckless jerk nylen spent the last four years of his life grappling with big diseases cancer diabetes an astonishing twelve broken bones and ten surgeries his lifetime total is twenty four fractures most of which resulted from a flagrant refusal to act his age or anyone s age for that matter and yet guts is not a mere chronicle of injuries but a sharp and wry meditation on american manhood growing up in suburbia in the 50s and 60s with a father who had worked on the atom bomb nylen was an immature kid who was always eager for attention in college he became a slovenly hard partying fraternity brother who barely graduated then came the realization that he was going to have to go to vietnam a dramatic tour of duty came to an abrupt end with multiple wounds leading him to grow up fast it was then that he started the real risky business business itself some ventures succeeded and some failed he exercised feverishly and often displayed a complete lack of common sense and then he got sick inevitably with colon cancer hilarious moving and riveting this is the life of a tough guy as seen through the scope of a national obsession with toughness whether he was facing viet cong as a platoon leader in vietnam or doing battle with venture capitalists at home nylen never backed down from a good fight and he had the many scars to prove it in guts robert nylen writes with humor and precision about the travails and glory of manhood

When somebody should go to the ebook stores, search introduction by shop, shelf by shelf, it is in point of fact problematic. This is why we give the book compilations in this website. It will
