been a church elder for many years and was ordained as an elder december 31 1994 he has had many encounters with teachers of falsehood over the many years of his ministry these encounters include a lot of experience with an offshoot group of the seventh day adventist church called the the shepherd s rod john churchill is a lay evangelist and the founder of battle cry ministry which pursues the worldwide aim of its mission through its website battlecryministry netadvent org he decided since about 2003 to write a book that would address the shepherd s rod offshoot problem in the church as he saw that the group was seemingly on the increase and causing problems and pulling away members of the church to become members of the group the book would help to not only educate members but help them to know how to deal with the problem in a very realistic practical way the book would also appeal to members of the group to cease their activities and rejoin the church coming back on the platform

do you know who you are of course i know who i am i am professor john smith of someplace usa born to bob and patty smith but i m not talking about your name your profession where you live or who your parents are let me reword the question do you know who you are in terms of your religious beliefs and relationship with god of course i know who i am i am a seventh day adventist ok but what does that mean dr max hammonds proposes that it goes beyond simply saying that we obey all of the ten commandments and that jesus is coming back to take his followers home to heaven presented in this book is a carefully reasoned and biblically sound exploration of familiar topics that we always thought we understood with warm personal stories told in the style of a private conversation at a quiet retreat dr hammonds works through the basic fundamentals of what it means to be a christian and a seventh day adventist in the real world living for god during the time of the end this is not just another book about adventist doctrines this book gets at the heart of christianity while focusing on the special calling we have as adventists

drawing on an extensive experience as a pastor evangelist and administrator his knowledge of the teachings of the word of god and his ability to present those teachings in a systematic readable manner pastor david lawson has written this book in order to address the question why be a seventh day adventist back cover

if you are a seventh day adventist christian you have no doubt heard of the shepherd s rod a message of present truth and reform first presented to leaders of the seventh day adventist church in the years 1929 and 1930 it has created much controversy in what every seventh day adventist should know about the shepherd s rod author garrick d augustus brings to light the historic and the theological reasons behind the rejection of the shepherd s rod message it exposes the systematic misinformation as well as the willful

manipulations of the facts surrounding victor houteff and the movement he began more than eight decades ago it provides clear and accurate answers to the questions raised against the rod s message and it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the seventh day adventist church his research took him from the heritage library in loma linda california to the biblical research committee in silver spring maryland and beyond what every seventh day adventist should know about the shepherd s rod journeys through the pages of history and helps to separate truth from propaganda it takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of seventh day adventism

seventh day adventism was born as a radical millenarian sect in nineteenth century america it has since spread across the world achieving far more success in latin america africa and asia than in its native land in what seems a paradox adventist expectation of christ s imminent return has led the denomination to develop extensive educational publishing and health systems increasingly established within a variety of societies adventism over time has modified its views on many issues and accommodated itself to the delay of the second advent in the process it has become a multicultural religion that nonetheless reflects the dominant influence of its american origins this second edition of historical dictionary of the seventh day adventists covers its history through a chronology an introductory essay appendixes and an extensive bibliography the dictionary section has over 600 cross referenced entries on key people cinema politics and government sports and critics of ellen white this book is an excellent access point for students researchers and anyone wanting to know more about seventh day adventism

seventh day adventism entices members into it using trickery and half truths they tell the unenlightened public one thing and insiders yet another dr kelly explains how he was tricked into joining he then refutes the theological fiasco called the investigative judgment which created the sect much of the book looks at the sabbath with fresh insight the final part reveals the mysterious realms of sheol and hades in order to expose sda error about the soul russell

the purpose of this book is to share the truth and unveil the hidden deceit that is buried within the sda seventh day adventist religion i know adventists are not the only religion to have strayed from the truth of the bible but i hold the strong stance that if a religion contradicts the teachings of the bible they are a false religion promoting a false gospel i do not say this to offend persons of other religions but at the same time i think it s important to be honest and straightforward when telling you what i believe the bible is clear that jesus is the way the truth and the life my goal is to share the truth and my motive for making this book is one of love the reason i am specifically focusing on seventh day adventists is because i was a part of that religion so the matter is close to my heart i have a number of adventist friends and family and whilst i know most of them would say their beliefs are based solely on the bible sadly that is not the case the adventist worldview has been shaped around the teachings and writings of ellen g white some adventists do not even know that her supposed visions are what helped to establish the religion her writings are still adhered to today as she claimed to have seen past present and future events ellen g white considered herself to be more than a prophet and insisted that the words she wrote were not merely her own opinions but the words of god she concealed her contradictions of the bible under the guise of receiving new light that the bible prophets did not have the claim of being a prophet cannot be taken lightly and in order for us not to be deceived we must be prepared to test the words of any self proclaimed prophet 1 john 4 1 beloved believe not every spirit but try the spirits whether they are of god because many false prophets are gone out into the world there is no other book in the world like the bible as it contains the words of the living god the bible has proven itself to be a reliable source of truth through the bible god has told us everything we need to know hebrews 4 12 for the word of god is quick and powerful and sharper than any twoedged sword piercing even to the dividing asunder of soul and spirit and of the joints and marrow and is a discerner of the thoughts and intents of the heart my hope is that adventists out there will be prepared to read this book with an open mind so that they can genuinely consider the points raised if you are not an adventist but want to know more about their religion i hope this book can be useful to you too

covering the millerite movement of the 1830s and 1840s sabbatarian adventism prior to organization of the denomination and the seventh day adventist church since its organization in 1861 63 this volume provides a comprehensive history of the denomination the first major element of the book is a chronology of adventist history that begins with william miller s

conclusion in 1818 that the second advent of Jesus would occur about 1843 and extends through the science and theology conferences of 2002-04 the interpretive introduction that follows places the emergence of adventism within the context of the second great awakening describes the development of sabbatarian adventism from its early opposition to church organization to its highly institutionalized and bureaucratically structured contemporary form and examines the denomination's geographical expansion from a small north american sect to a global church the dictionary entries that constitute the bulk of the volume address individuals organizations institutions and doctrines that have been important in the history of the church including dissident movements and individuals who have emerged as critics of the denomination and its beliefs second there are entries on the development and current situation of adventism in many individual countries finally thematic entries on such subjects as art music literature health care and women address other elements important to understanding church life the dictionary entries are followed by a bibliography of scholarly and popular works published by the denomination commercial and academic presses and individuals and organizations

the church has a reservoir of wisdom and truth in the bible and a role to play in witnessing to that truth the bible is full of mandates and challenges that ask us the disciples of Jesus Christ to make our light shine so that others may see our good works and give glory to our God in heaven Matt 5:16 the purpose of this book written by 34 dedicated Christian scholars and community practitioners is to help Christ's church to understand how this world and the people who live in it think feel and react to some of the issues they face in their daily lives and how to bring peace justice and compassion to the society that surrounds our homes churches and communities Jesus says blessed are the peacemakers for they shall be called children of God Matt 5:9 shalom which we translate as peace means more than the absence of conflict to live in shalom as a peacemaker means we actively live our lives in a way that brings healing wholeness harmony and well being to the lives of people we meet this is not a prescriptive book that will provide answers to all the social and missiological woes in society though there will be some guidelines for how to start various ministries instead the authors have attempted to describe some of the problems that exist in our societies and churches and have encouraged the readers as individuals as well as groups to find their own answers to many of the issues raised some of the issues raised will not be comfortable to discuss in church circles but we all hope that they will be treated with the same respect and compassion that Jesus gives in response to each one of our needs
