new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an

idea

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

this book critically investigates the pervasiveness of anthropomorphised animals in popular culture anthropomorphism in popular visual media has long been denounced for being unsophisticated or emotionally manipulative it is often criticised for over expressing similarities between humans and other animals this book focuses on everyday encounters with visual representations of anthropomorphised animals and considers how attributing other animals with humanlike qualities speaks to a complex set of power relations through a series of case studies it explores how anthropomorphism is produced and circulated and proposes that it can serve to create both misunderstandings and empathetic connections between humans and other animals this book will appeal to academics and students interested in visual media animal studies sociology and cultural studies
