this book is a very brief reflection on the readings of sundays and solemnities of the churches liturgical calendar year a in order not to make this just a mere weekly homily but a full book for all time the thematical approach has been employed for each homily however these themes are not exhaustive rather they are simply meant to help us have an idea of what could be the central

message of each celebration brief stories and other biblical passages quotes popular sayings and even personal life experiences have been employed in order to make the message clearer and more comprehensible to all above all i have tried to keep it short and simple however great care has been taken in doing this by keeping in mind the rules of good biblical interpretation without down playing the meaning and message of the individual readings hence this book follows both the catechetical and exegetical approach some comments from readers from wordpress com comments all fr canice com father your reflections are brief inspiring and challenging keep on helping us fr karoli lwanga kisii diocese kenya thank you very much fr canice for your rich homilies it is a great help to me as i always read it as i prepare my weekly sermons god bless you and keep up the spirit of cor unum fr aurelian tumaini c s sp father you are great and wonderful your reflections are highly inspired please keep it up the lord is your strength thanks a lot fr samson ofuonye police chaplain benin city father i want to thank you so much for your wonderful articulated well researched and organized homilies they are concise and straight to the point god bless you izuu iloka thanks so very much for your reflection padre canice may god continue to bless and uphold you in the mission amen happy sunday fr odaudu matthias c s sp fr canice what an inspiring thought you share every week i have been visiting your page since my student days and the flavor has not dwindled keep it up you inspire me fr jude hello fr canice let me appreciate you for the wonderful reflections you have been offering the world i really enjoy it and sometimes help myself with it whenever i am preparing my sermon bravo fr god bless you abundantly fr tizhe from maiduguri nigeria padre your website makes things easy for us as it presents a rich source of good homilies thanks and may god help you to keep it up okenyi emmanuel chidobe

in several ways the present set of homilies continues an approach to preaching apparent in the more recent of my collections which the paulist press has graciously presented to the public first there is an ongoing struggle with scripture three sets of such responsibilities cover the gamut of human living 1 love god above all else 2 treat every man woman and child like another self 3 touch the earth the nonhuman with unfailing reverence

this brilliant collection of homilies draws on the sunday and feast day readings to demonstrate the relevance of biblical interpretation to the life of a community and its members the purpose of each homily is to address listeners who have gathered for worship by helping them to recognize that god is living present and active in the world and also by helping them respond to god's presence by giving praise and thanks and by living a life that accords with the teachings of jesus taken together they constitute a valuable resource for the homilist in the creation of future sermons of equal relevance to the time and circumstances under which they are delivered this second volume comes out of the same vision as its companion volume of homilies for the a cycle at the heart of the b cycle of readings is the gospel of mark which is widely believed to be the oldest of the four gospels and the authors present these homilies as material for reflection by both preachers and listeners
