responding to the increasingly powerful presence of dystopian literature for young adults this volume focuses on novels featuring a female protagonist who contends with societal and governmental threats at the same time that she is navigating the treacherous waters of young adulthood the contributors relate the liminal nature of the female protagonist to liminality as a unifying feature of dystopian literature literature for and about young women and cultural expectations of adolescent womanhood divided into three sections the collection investigates cultural assumptions and expectations of adolescent women considers the various means of resistance and rebellion made available to and explored by female protagonists and examines how the adolescent female protagonist is situated with respect to the groups and environments that surround her in a series of thought provoking essays on a wide range of writers that includes libba bray scott westerfeld tahereh mafi veronica roth marissa meyer ally condie and suzanne collins the collection makes a convincing case for how this rebellious figure interrogates the competing constructions of adolescent womanhood in late twentieth and early twenty first century culture

bachelorarbeit aus dem jahr 2016 im fachbereich amerikanistik literatur note 2,0 universität rostock anglistik amerikanistik sprache deutsch
abstract the aim of this paper is to show that nature and ecocritical topics are a significant aspect of young adult dystopian novels since they are supposed to remind the readers that to respect nature and live in harmony with it is an important feature of their lives and a key to happiness contemporary dystopian young adult fiction is also supposed to remind the readership that exploiting or manipulating nature or avoiding environmental issues next to the other features of our today's society that are criticized in young adult dystopian novels like reality tv the restriction of individual freedom and constant surveillance by the government will lead to the destruction of the world as they know it and the development of a dystopian world an oppressed society a young hero and extreme settings young adult dystopia is the rising star of genres in literature and film in today's society because it raises questions about the world we live in and creates rebellious and authentic protagonists it appears to be charming for the adolescent readership throughout the last years especially the hunger games by suzanne collins has been extremely successful starting with the books over the films to little mockingjay pins in the shops collins's trilogy took over the world of teenagers the story is about a teenage girl named katniss who lives in one of the poorest parts of her

country panem every year there are the annual hunger games where teenagers are forced to fight each other to death until there is only one winner after katniss survives the 74th hunger games by tricking the government a rebellion of the oppressed people of panem starts and katniss becomes the symbol of it nature and the manipulation of it as well as the benefits of knowing nature play a major role in the hunger games series since katniss has a special relationship to the natural world which helps her to survive in the games and later is the anchor to her sanity the hunger games series shows that the strict separation of people from nature and the creation of a fake artificial nature that is manipulated by an oppressing power is a central way to control people by taking away a source of sustenance and a place of freedom the nature outside of the districts of panem symbolizes freedom refuge and escape while the artificial nature in the arena causes distance and fear of nature for the citizens of panem as it is the only access to nature they are allowed to have

under the threat of climate change corruption inequality and injustice americans may feel they are living in a dystopian novel come to life like many american narratives dystopian stories often focus on males as the agents of social change with a focus on the intersections of race gender class sexuality and power the author analyzes the themes issues and characters in young adult ya dystopian fiction featuring female protagonists the girls on fire who inspire progressive transformation for the future

winner of the children s literature association edited book award from the jaded wired teenagers of m t anderson s feed to the spirited young rebels of suzanne collins the hunger games trilogy the protagonists of young adult dystopias are introducing a new generation of readers to the pleasures and challenges of dystopian imaginings as the dark universes of ya dystopias continue to flood the market contemporary dystopian fiction for young adults brave new teenagers offers a critical evaluation of the literary and political potentials of this widespread publishing phenomenon with its capacity to frighten and warn dystopian writing powerfully engages with our pressing global concerns liberty and self determination environmental destruction and looming catastrophe questions of identity and justice and the increasingly fragile boundaries between technology and the self when directed at young readers these dystopian warnings are distilled into exciting adventures with gripping plots and accessible messages that may have the potential to motivate a generation on the cusp of

adulthood this collection enacts a lively debate about the goals and efficacy of ya dystopias with three major areas of contention do these texts reinscribe an old didacticism or offer an exciting new frontier in children s literature do their political critiques represent conservative or radical ideologies and finally are these novels high minded attempts to educate the young or simply bids to cash in on a formula for commercial success this collection represents a prismatic and evolving understanding of the genre illuminating its relevance to children s literature and our wider culture

in the mid to late 2000s the united states witnessed a boom in dystopian novels and films intended for young audiences at that time many literary critics journalists and educators grouped dystopian literature together with science fiction leading to possible misunderstandings of the unique history aspects and functions of science fiction and dystopian genres though texts within these two genres may share similar settings plot devices and characters each genre s value is different because they do distinctively different sociocritical work in relation to the culture that produces them in the order and the other young adult dystopian literature and science fiction author joseph w campbell distinguishes the two genres explains the function of each and outlines the different impact each has upon readers campbell analyzes such works as lois lowry s the giver and james dashner s the maze runner placing dystopian works into the larger context of literary history he asserts both dystopian literature and science fiction differently empower and manipulate readers encouraging them to look critically at the way they are taught to encounter those who are different from them and how to recognize and work within or against the power structures around them in doing so campbell demonstrates the necessity of both genres

publishers weekly this impressive novel is part coming of age action adventure and part fierce war games dominated by a young girl just coming into her powers a fine durable inaugural volume brimming with imagination and sparkling inventive characters all caroline mathers wanted was a chance to make her own way war will force her to make history in this post apocalyptic landscape marred by never ending rain life is calm sometimes even okay as long as you can find food to eat have a roof over your head and steer clear of the roving bands of marauders and thieves but what caroline and her people don t realize is that across a distant mountain a bigger problem arises a

a gender experiment an exiled community a forbidden love sixteen year old faith is proud to attend danforth academy a cutting edge

school in the all female province of bellator but when tragedy strikes a fellow student she suspects there is a darker side to the prestigious institution determined to protect herself and her friends she goes looking for answers her investigation brings her face to face with noah a boy from eremus a community the bellator authorities claim they destroyed years ago faith has been taught that all men are monsters she knows she should turn noah in but she is drawn to the intriguing stranger and his unfamiliar way of life as she learns more about him she begins to question everything she's ever known when a vicious attack involving both communities rocks the city faith finds herself at the centre of a web of lies can she count on noah for help or will he turn out to be the monster she's always feared

if there is one trend in children's and YA literature that seems to be enjoying a steady rise in popularity it is the expansion of the YA dystopian genre while the genre has been lauded for its potential to expand horizons promote critical thinking and foster social awareness and activism it has also come under scrutiny for its promotion of specific ideologies and its often sensationalist approach to real world problems in an examination of six YA dystopian texts spanning more than twenty years of development of the genre this book explores the way in which posthumanist ideologies in particular are deployed or resisted in these texts as a means of making sense of the specific challenges which young people confront in the twenty first century

in the society everyone is happy drea young has grown up living in the shadow of the wall not only does she know there's nothing left beyond it but she also knows that it's there to protect the citizens of the united society of the reestablishment that doesn't stop her from feeling trapped though why everything in her world is perfect there's no more struggle no war or crime no conflict no choice drea has always thought she was alone in her blasphemous thoughts but then she gets to know jerrick carter and realizes she couldn't be more wrong quiet and brooding and incredibly gorgeous jerrick helps her understand not just the world around her but herself as well and the more drea learns about the society the more desperate she becomes to break free but after a lifetime of being controlled she isn't sure if she's strong enough to leave everything she knows and loves behind

the third and final book in the warchild series be sure to check out books 1 and 2 warchild pawn and warchild judas for the citizens of the people s republic of virginia their last hope of freedom has faded with their spirits the eternal rains continue to fall tired hungry and soaked to fragile bones there s nothing left to do but march toward the only fate they have left a life in slavery but not if caroline can help it she s out of options but giving up was never one of them facing overwhelming new challenges and old enemies caroline soon learns that even when the bullets stop flying the war is never over keywords young adult science fiction young adult dystopian teen science fiction cyberpunk action and adventure genetic engineering post apocalyptic metaphysical and visionary young adult free books young adult science fiction young adult books free dystopian books free dystopian novels free science fiction free

despite its popularity the newest wave of dystopian narratives is often viewed as derivative and deficient this collection proposes a different more nuanced viewpoint arguing that contemporary dystopian fiction changes and updates genre conventions to tackle controversial and contemporary issues in complex ways such as environmental destruction julie bertagna s exodus 2002 sacchi lloyd s the carbon diaries 2015 2017 2009 2010 julianna baggott s pure 2012 the effects of bio technological progress gone awry lauren destefano s chemical garden trilogy 2011 2013 karen sandler s tankborn 2011 or the consequences of war lauren oliver s delirium 2011 while the volume s first part collects essays that approach dystopia from a literary and cultural studies perspective the second part explores the potential that texts such as veronica roth s divergent 2011 suzanne collin s the hunger games 2008 or david macaulay s graphic novel baa 1985 have for the efl classroom

in the society everyone is controlled leaving everything she knew and loved behind wasn t easy for drea but now that she s out of the society she s determined to make a life for herself one she chooses with jerrick at her side drea throws herself into learning not just about herself and the world that used to exist but the society as well and the more she discovers the more determined she becomes to help overthrow the controlling regime and save the people still trapped in the society unfortunately for drea jerrick has other plans which include making sure she stays as far away from the society as possible but when drea receives word that someone she loves is in danger she s

faced with what could be a life altering decision does she stay in the safe bubble she s created for herself in the rebel colony or does she prove how strong she s become and risk everything book two in an exciting new dystopian series by award winning author kate l mary perfect for fans of young adult dystopian novels like the hunger games and divergent

i am looking at you you who had access to infinite knowledge i never asked to be the sole bearer of the entire knowledge of your civilization yet here i am barely sixteen years old and it has fallen upon my shoulders to save what remains of humanity from a second dark ages your civilization is gone now lost six hundred years ago in cataclysmic wars brought on by climate change your virtual information vanished along with electricity only your ancient printed books remain and they have been scanned into a memory device hanging around my neck to which only i have access for knowledge is power and the dreaded wraith lord knows this he would keep the knowledge for himself he would hunt me down and force me to give it up submitting humanity to infinite darkness and servitude knowledge must belong to all or to none i must find a way to spread knowledge back to the world or die trying international bestselling award winning author rae knightly presents a thrilling young adult dystopian novel the knowledge seeker which takes a thought provoking look at what would remain of our civilization six hundred years from now were we to disappear today this coming of age story will captivate fans of the hunger games and the maze runner and is ideal for readers aged 12 to 16

in the society everyone is at risk separated from jerrick and the rebellion drea once again finds herself living in the shadow of a wall only this time the stakes are higher than she ever could have imagined and her life isn t the only one on the line when jerrick found out drea was gone he thought his world was collapsing now with no idea where she is or what she s going through he throws himself into the rebellion knowing destroying the society might be the only thing that can save her with little chance of escape drea must use her wits to learn as much as she can about the society in hopes of helping the rebellion from the inside but things are more complicated than they first appeared and as the days tick by she finds herself wondering if she ll ever see jerrick again or if the wall surrounding her will be her home forever grab the final book in the exciting new dystopian series by award winning author kate l mary now perfect for fans of

dystopian novels like the hunger games and divergent this series is sure to keep you on the edge of your seat

before the blight becoming an adult was something teenagers looked forward to but now turning eighteen means certain death unless you prove yourself worthy of the cure on her seventeenth birthday ashen spencer is blindfolded and escorted to the massive mysterious building known as the arc to begin her year of training and testing in hopes that she can earn the cure a powerful drug given only to those deemed worthy to survive beyond their eighteenth birthday ashen has a chance to rise up from her former life of squalor and be granted a place in society if the panel the mysterious group of powerful men and women in charge of the arc deems her year a success she is assigned to work for twelve months as a servant for a wealthy family whose son is the most alluring young man she has ever met at first ashen is grateful for the opportunity to earn her place in a society she has always dreamed of inhabiting but as time passes and she begins to learn the truth about the people she admires so much and the home she left behind she realizes she has a choice be part of the disease or be part of the cure for readers of the hunger games divergent and the selection
