while dickens s religion and religious thought is recognized as a significant component of his work no study of dickens s religion has carefully considered his often ignored yet crucially relevant the life of our lord written by a biblical studies scholar this study brings the insights of a theological approach to bear on the life of our lord and on dickens s other writing colledge argues that dickens intended the life of our lord as a serious and deliberate expression of his religious thought and his

understanding of christianity based on evidences for his reasons for writing what he reveals and the unique genre in which he writes using the life of our lord as a definitive source for our understanding of dickens s christian worldview the book explores dickens s christian voice in his fiction journalism and letters as it seeks to situate him in the context of nineteenth century popular religion including his interest in unitarianism this study presents fresh insight into his churchmanship and reminds us as orwell observed that dickens was always preaching a sermon

butler s lives of the saints is the most revered catholic book after the bible the missal and the imitation of christ a saint or two for each day of the calendar great for a daily meditation each life is followed by a lesson from the life to help us apply the virtues of the saint to ourselves great for the entire family includes famous saints since fr butler s time all recounted in the same beautiful reverent spirit that was his impr
